Lady Says She Took Cardui and Never Saw Such Improvement—Was So Weak Couldn't Stand.

Wenthersby, Miss.—Mrs. James M. Hall, of this place, writes that she was "getting weaker all the time" when Cardui, the woman's tonic, was first brought to her attention. After she had taken Cardui a while, she writes that she "never did see such an improvement."

"I suffered all the time and had pains all over," says Mrs. Hall. "I was so weak I could not stand. My skin was cold and flabby. I did not have any color. I had always been a very active woman—used to outdoor exercise, walking and going where I pleased, and to get down, not able to get myself a drink, was indeed a hardship."

"Nothing seemed to help me, till I began on Cardui. The first bottle seemed to strengthen me, and I went for five more. By the time I had taken these I was on my feet, going around, doing my work, gained in health and strength. I took two more bottles, and I am well and strong. Can work my garden. I haven't had any more sickness."
