Mississippi Lady Says She Took Black-Draught for These Symptoms and Was "Greatly Relieved."

Starkville, Miss.—"I have been a user of Black-Draught for about twenty years," says Mrs. C. E. Buntin, of R. F. D. 5, this city. "I used Black-Draught first for constipation," continues Mrs. Buntin. "I would feel dull, stupid, and have severe headaches, even feverish. I had an uneasy, tight feeling in my stomach. "I read quite a bit about Black-Draught. I began using it and soon my bowels acted regularly and I was greatly relieved. I used it every once in a while for about eighteen years. "About two years ago I found I was having indigestion, a tight smothering in my chest, then severe pain, especially after eating sweets. I commenced taking just a pinch of Black-Draught after meals and by doing this I could eat about anything. "I gave Black-Draught to my children for colds and headaches. I can certainly recommend it." Theford's Black-Draught is recommended by thousands of others for the relief of indigestion, biliousness, and simple ailments due to constipation. Safe, easy to take. Costs only 1 cent a dose.
