Poultry and Swine Featured at Fair

(Continued from the first page) things were well distributed, however, among a half dozen states and every exhibitor won either prize money or ribbons for merit. Sixty seven varieties of standard breed poultry were exhibited and made a very evenly balanced poultry show, quality running high in all cases.

The best display of Plymouth Rocks won the prize for F. J. Urquhart, Portsmouth, Va. This was the barred rock variety. The Roanoke Poultry farm of Williamston held its own against all comers and Theodore Roberson's White Orpingtons kept the

VAPOURUB
OVER 2 MILLION JARS USED YEARLY

Columbia, Peace and the Spirit of Brotherly love have been joined in one person, a beautiful woman. This young lady was one of the central figures in a pageant staged at the Sesqui-Centennial International Exposition in Philadelphia, celebrating 150 years of American Independence. The Exposition continues until December 1.

Mr. Jack Edwards of the firm of Ward, Grimes and Edwards, of Greenville appeared for the defense in the trial of the case of Harrison versus Barnhill here this week.

Soft Drink King III
At Atlanta Home

Asa G. Candier, first called the Coca-Cola inventor and later the Coca-Cola King, is said to be dangerously ill at a hospital in Atlanta, his home town. He is now an old man and for a long time his health has not been very good. Coca-Cola has made him one of the South's wealthiest men. He can be credited as the man who invented the most popular American drink, except the man who invented whisky.

Proof positive See road test on Dodge cars 40% less oil, 10% less gas

ROAD tests with hundreds of cars prove that the new "Standard" Motor Oil works wonders with automobile motor performance.

For instance, a Dodge, run 1,080 miles from September 24th to October 22d, 1925, showed 40.9% increase in oil mileage; 10% increase in gas mileage; smoother operation at all speeds; more power; less drag on the hills.

Here's performance you have never dreamed of getting from any lubricating oil. Drive around to the nearest "Standard" Service Station or dealer and get a crank case full. Then expect results. You can actually feel the difference.

GORMAN'S MARKET REPORT

The market sold Monday over a million pounds. With second sale and close to two hundred thousand pounds Gorman's finished before quitting. Our customers are highly pleased. The sales since Monday have not been so large and all houses have finished around four o'clock. We can now advise you to start selling your fine tobacco. The Imperial, also the American and one or two of the Independents have commenced buying the better grades and our Wednesday's sale was the best of the season. In this sale we sold several loads averaging from 45 to over 50c per pound. If you are not selling with us, come see our sales or talk to some of those who do sell at Gorman's and we feel sure you will send us your next load. We know good and fine tobacco and are not afraid to back our judgment.

WE HAVE FIRST SALE MONDAY, SECOND SALE TUESDAY, FIRST SALE WEDNESDAY, SECOND SALE THURSDAY, AND FIRST SALE FRIDAY.

Below we give you two sales of the many good ones we made on our Wednesday's sale:

Beaufort taking first prize under the leadership of Miss Violet Alexander, the efficient home demonstration agent of that county. Hertford county carried away second prize and Martin third. Miss Anna Trentham who has been here only two months, is due much of the credit as it was a combination of her own work and her organization of others that gave Martin its high standing in such keen competition. Washington and Northampton, both had fine exhibits, the two counties carrying away many ribbons as well as cash prizes.

The community school prizes went, first to Community Road school; Craven county and second prize to the Jamesville school.

The county farm exhibits proved to be one of the sharpest contests in the entire fair, only good judges were able to name the winner by a scale of points. Beaufort county took first January.

The Roanoke Fair poultry show has achieved a national reputation and is generally considered the most important fall show held south of Washington, D. C.

Five counties had county exhibits,

with Mr. E. P. Welch in charge. Mr. Carter Tisdale, a farmer of wide experience, put on the Craven county exhibit, which was awarded second place.

The individual displays showed that wonderful improvement has been made in every line by our people during the past few years. The work now being shown by them will compare with that shown in any place.

Williamston second, Jamesville third, and Everett fourth. Many other prizes were won by individuals.
