### INDIGESTION

North Carolina Lady Says She Had An Awful Time With Indigestion, Till She Took Black-Draught.

Pilot Mountain, N. C.—"For several years I suffered with a bad case of chronic indigestion," says Mrs. Sam C. Inman, of this place. "I had bad spells with my stomach. At times I had severe pains in my right side. My stomach would get upset and I would have an awful time. It seemed like everything I ate disagreed with me. I was in pretty bad shape."

"My husband had been using Theodor's Black-Draught for some time for indigestion. He had spells of it too, so he suggested that I try Black-Draught. I took some from his box, just to see if it would help me, and I found it was the very thing for my trouble. It did me a great deal of good. My condition was brought on by a chronic case of constipation and, by getting relief from this, I found my general health was much better."

"We keep Black-Draught in the house all the time. Whenever I find I need it, I take several doses and thus avert a bad spell of indigestion. It is a splendid medicine and I am glad to say so."
