ROBERSONVILLE SCHOOL NOTES

The senior class wishes to thank all who in any way helped to make its play, "Mammy's Lil' White Rose," a success. The door receipts, \$71.75, are proof that many showed their interest by attending. There were several little bills to be deducted from the amount taken in, but still enough remains to enable the seniors to give a rather substantial gift to the school at commencement.

The money raised will go to the school in

Select your favorite baby at once and begin now to make him the blue ribbon baby. In order that you may know better which one you do want to spend your money for review the list:

Last Warning

At a special meeting of the Board of Town Commissioners Monday evening, April 11, 1927, a warning was ordered to be given all taxpayers who have not made settlement of 1926 taxes. This warning was ordered with the hope that little, if any, property would have to be advertised for taxes.

April 30th Is the LAST DAY

And it is therefore very urgent that you take this as a fair warning and that you make settlement as soon as possible. No extension of time will be granted this year, but all taxes must be in the hands of the tax collector by that day or property will be advertised in accordance with law.
