

FOUR MILLIONTH "CHEVY" MADE ON JANUARY 11TH

Little Ceremony Attends Assembling of Record Car

Detroit, Mich., January 31.—Added impetus was given the swift pace set for 1928 by the Chevrolet Motor Co., here today with the announcement by W. S. Knudsen, president and general manager, that the four millionth Chevrolet unit rolled off the assembly lines of the Flint, Mich., plant on January 11.

The record model—a 1928 coach—was built only 363 days after the three millionth car had been turned out at the same factory.

This brief interval between production of the two epoch-making cars reveals the tremendous volume of the company the past year, when it was the world's largest automobile manufacturer, and shows the rapidity with which new cars are now being built to supply dealers in all parts of the world with an adequate number for prompt delivery.

Production for the year just ended exceeded the program of a million units by 1,800 cars, and accelerated production this January over January a year ago, necessitated by the splendid reception accorded the new line, made possible the building of the four millionth car two days less than a year after the three millionth unit had been produced.

Various dates in the life of the Chevrolet Motor Co., on which the millionth car mark has been passed furnish a graphic picture of the rapid strides made by the company to its position of leadership in the industry.

Nearly twelve years elapsed after its organization—on November 3, 1911—before the one millionth car was built. That record day was February 27, 1923.

There followed an interval of two years and five months before, on July 20, 1925, the two millionth car was produced. Between the two and three millionth cars was a period of a year and six months, the three millionth unit having been built on January 13, 1927, while from that date of the building of the four millionth unit was 363 days.

Like the three millionth car, the four millionth one was equipped with a coach body. The one and two millionth models both were touring types.

Little ceremony attended the production of the four millionth car. Mr. Knudsen, C. F. Barth, vice-president in charge of manufacturing, and C. E. Wetherald, Flint plant manager, inspected it, and shortly afterward it went with the millions of others produced to date to the loading docks for prompt shipment.

Only a few minutes after the record model had left the production line, number 4,000,001 rolled off, and the ceaseless activity evident at all Chevrolet plants since the middle of December continued its record-setting pace.

NEW RECORD OF PRODUCTION

Set New Oakland-Pontiac Mark in January; Expect February To Be Better

Pontiac, Mich., Jan. 31.—The highest January production in the history of the Oakland Motor Car Co., 19,774 Oakland and Pontiac sixes, is being eclipsed by a record February production schedule of 22,268 cars, it is announced by W. R. Tracy, vice president in charge of sales.

The extent to which recent plant expansions at the Oakland and Pontiac six factories have increased production capacity is revealed by the following comparison with production figures during the corresponding months of previous years:

Table with 3 columns: Month, 1926, 1927, 1928. Rows for January and February.

The fact that our totals for both

January and February of this year exceed by a wide margin the combined 1926 and 1927 production during those respective months is the best evidence that the Oakland Motor Car Co. will be an even greater factor in the automobile industry during 1928, said Mr. Tracy.

"Our schedule for the present month is not a theoretical figure; it is based upon the signed orders sent in by our dealers.

"The Oakland Motor Car Co. sold 191,000 Oakland and Pontiac sixes during 1927, which represented an increase of more than 40 per cent over the total for the preceding year. If the demand for motor cars continues at its present high level, we confidently expect that in 1928 the volume of Oakland-Pontiac business will again show a 40 per cent increase.

The continued popularity of the Oakland All-American Six and enthusiastic public reception accorded the new Pontiac Six, with its many improvements and new features, indicate that our hope of bettering the national position of fifth in point of sales Oakland achieved last year is in process of accomplishment."

ROBERSONVILLE HONOR ROLL

The Robersonville school led the county during the last month in the number of honor students, one hundred and four pupils meeting the requirements.

The list by grades follows:

First grade—Marjorie Bunting, Lois Rain Smith, Frances Baker, Margaret Ward Roebuck, Mary Elizabeth Roberson, Clarence Bunting, Roscoe Everett, Delbert Ray James, Samuel Jenkins, Robert Perry Morris.

Second grade—Jesse Glyn Cannon, James Henry Gray, Jr., Ronald Ross Johnson, Julian Baker Roebuck, Henry D. Whitfield, J. L. Williams, Grace Everett, Janie Everett, Sue Burroughs, Vera Mae Powell, Edith Ross Vick.

Third grade—Bergie Glyn Bailey, Joe Brake Robertson, Carroll Mizelle, Aquilla Joyner, Christine Roberson, Virginia Smith, Edna Earl Edmondson, Frances Ward, Edith Maes James, Edith Wilson Sumner, Magdalene Rawls.

Fourth grade—Nolie Keel Highsmith, Cleo James, Alice Bunting, Evelyn Sumner, Janie Everette, Marjorie Edmondson, Doris Thomas, Margaret House, Eary Moore.

Fifth grade—Stuart Jones Ward, Bobby Roberson, Hoke Roberson, Olga Lee Mbye, Chloe Roberson, Philip Keel, Geraldine Cox, Magnolia Roebuck, Clifton Everette, Simon Woolard.

Sixth grade—Walter Elliot Ward, Randolph Chandler, Doris Everette, Hettie Ray James, Elizabeth Keel, Winifred Mizelle, Margaret Norman, Lovie Louise Rawls, Rosa Lee White.
