## JAMESVILLE WINS OVER AULANDER

Avenge Previous Defeat by Winning, 27-21, in Game Here Tuesday

Playing a superior type of ball, the fast Jamesville basketball five turned back the strong Aulander team here last Tuesday night, 28 to 9. In the Tuesday night victory, Jamesville avenged the defeat handed it by Aulander about a month ago. But Aulander's win was by a very small margin, 27 to 21, while the Jamesville lads swept the Bertie boys off their feet in the game here.

In the game here, Jimmie Brown led his team to victory by feeding the ball to Gaylord who made thirteen of his team's 28 points. Besides feeding the ball to his teammate, Brown followed it from one of the court to the other, often taking it from an opponent's hand just to send it back to his own goal for two points. He caged four shots. At right forward, H. Brown played a steady and hard game, making six points. Sykes and Warrington held the Aulander stars to the small score, playing their usual good game at guard.

Aulander's scoring was held to Newsome and Joyner, Newsome scoring four points and Joyner five. The Bertie boys were at a loss, in the face of the on-rush of the Jamesville cagers, to handle the ball to a scoring advantage.

## EVERETTS NOSES OUT JAMESVILLE

Build Up Lead Early That Jamesville Is Unable To Overcome. Score 13-12

Entering the second game of the season here last night, Jamesville and Everetts staged one of the fastest basketball games yet seen by any of 450 or more fans attending. Everetts winning by a margin of one point. It was anybody's game, during the first quarter, for the score at the end of that period resulted in a tie, one all. Both teams were playing stellar ball, and for a while fans thought that nothing but free throws would be registered. The referee and his whistle were drowned in the loud cheers sent out by fans from the two towns, and the ball was carried the distance of the court many times before the players would hear the signal.

Cherry, for Everetts, started the scoring with a three throw in the initial period, Jimmie Brown offsetting the point by a caged shot from his free throw line. Both teams would not up a bit, but played the ball hurriedly every minute. Warrington, guard for Jamesville, broke the 1-1 tie by caging a long shot from the field, bringing Jamesville's scoring to a close until the last quarter. Faulkner knotted the score a few seconds later with a field goal. Bullock, Everetts center, scored, bringing the half to a close with the score 5 to 3.

In the third period, Everetts made four points, holding Jamesville scoreless during that period. Defeat faced Jamesville when its team went the entire period without scoring, but in the last quarter its players staged a comeback that threatened Everetts' lead and claim to victory, but with nine points scored in the last, Jamesville missed tying the score by one point. Everetts added four points in that period, having made that many in each of the last three quarters. The game was so close that many fans were in doubt as to the victors until the official score was announced. Everetts 13, Jamesville 12.

While a third game between the two teams has not been officially announced, it is understood that another will be played to break the tie, Jamesville having won in a first game 11 to 10, played here the last day of January.

I can't remember when we haven't used it in the family, giving it to the children for colds and minor ills where a laxative is needed.

I used to have gas on my stomach, and I would spit up grease. Black-Draught relieved this.

"It is just an all-round good medicine. Now that I am 72 years old, I have to take a laxative and Black-Draught acts easy and gives me satisfaction."
