Juniors Entertains Seniors At Banquet Tuesday Night

By Naomi Etheridge, Editor in Chief
Journalism Club, Oak City High School

Oak City, Mar. 14.—Miss Malissa Worsley and Mr. Gray Keel were married Wednesday, March 7th, in Rocky Mount. Upon their return the following day they were entertained at dinner by the bride's sister, Mrs. L. T. Chesson.

Mrs. Sophia Tyson, of Greenville, N. C., is visiting her son, Mr. W. E. Tyson.

Mrs. Elizabeth Medford, of Tarboro, spent the week end with her brother, Mr. H. J. Etheridge.

Rev. Mashburn, of Robersonville, filled his appointment at the Christian church Sunday afternoon at 3 o'clock.

The Y. W. A. held its regular meeting at the home of Miss Marjorie Johnson. The topic for the evening was "The World's Richest Woman."

Miss Gladys Hyman entertained a number of her friends at a birthday party at her home Friday night. Refreshments were served at the close of a delightful evening.

School News
Basketball is beginning to take on new life. Coach Russell is expecting everything in first-class shape within a few days.

The junior class entertained the seniors last Tuesday night. The home economics laboratory was beautifully decorated with class colors of blue and gold.

Hon. W. L. Cahoon, of Elizabeth City, State Councilor of the Junior Order of United American Mechanics, will speak at the flag raising in the school auditorium Sunday afternoon at 2:30. A cordial invitation is extended to all.

School trucks are overcrowded. Bad roads and crowded conditions result in broken truck springs and confusion among parents and pupils. Two Ford trucks have made an average of transporting daily 100 pupils on a round trip. Can you imagine 50 pupils crowded in a truck.

Card of Thanks

We wish to extend to our many friends our most sincere thanks for the many favors and kind deeds done for us during the recent illness and death of our husband and grandfather, W. M. Perry. The kindness of each will long be remembered by us.
THE FAMILY.

BIGGER YIELDS from the SAME ACREAGE
It is high yields per acre that put the profit in cotton-growing. A side application of LEUNASALPETER, the balanced, high-analysis side-dressing, at the rate of 75 to 150 lbs. per acre, will give you vigorous, healthy plants, heavily fruited, and a profitable yield of the best quality cotton.
Leunasalpeter
(Ammonium-Sulphate-Nitrate)
26% Nitrogen = 31.5% Ammonia
More cotton per acre with LEUNASALPETER is the winning answer to the question of cotton production this year. For sale by dealers everywhere. Write for descriptive booklet to:
