Davis-Fletcher

Of marked interest to friends throughout North and South Carolina was the wedding of Miss Mary Fletcher, popular teacher in the local high school, and Mr. L. H. Davis, principal of the local school, which took place at the colonial home of the bride's parents, Mr. and Mrs. E. R. Fletcher, in McColl, yesterday morning. News of the wedding, received here yesterday, came as a great surprise to the couple's many friends, who will welcome them upon their return Sunday.

The ceremony, performed with only a few close friends and relatives in attendance, was one of marked charm and simplicity. Soon after the ceremony, the bride and groom left for a brief stay in Richmond, Va., returning here Sunday.

Mrs. Davis is a young woman of much charm and accomplishment. She was graduated from Winthrop College, and has taught in North Carolina schools for the past several years. This is her second year here as head of the English Department in the Williamston High School, where she has endeared herself to the pupils as well as to the citizens of the town and section.

Coming here three years ago, Mr. Davis has firmly established himself as

efficient principal of the local graded and high schools. He is a graduate of the Wake Forest College, where, in addition to his A.B. work, he studied law, passing the State bar examination last year. He is the son of Mr. and Mrs. D. L. Davis, of Davis, N. C. Upon their return here they will make their home with Mr. and Mrs. Wheeler Martin on Main Street.

Moore-Jenkins

Miss Agnes Jenkins and Mr. George Moore were married in a private ceremony of unusual beauty at 2 o'clock Saturday afternoon, November 17, at Rocky Mount. The ring ceremony was performed by Rev. D. E. Hill, pastor of the Baptist church, in the presence of immediate relatives and friends of the bride and bridegroom.

Mrs. Moore is the daughter of Mr. and Mrs. W. I. Jenkins, of Ayden, and is a very charming and attractive young lady. She is a graduate of Atlantic Christian College, Wilson, and has since studied at Duke University. She has been for the past three years

connected with the Robersonville High School faculty.

Mr. Moore is the son of the late J. C. Moore, of Ransomville. He was a student at State College for some time and is now connected with the Dillon Supply Co., as manager of their Durham store.

Announcing -

The Outstanding Chevrolet of Chevrolet History

- a Six in the price range of the four!

The Chevrolet Motor Company announces The Outstanding Chevrolet of Chevrolet History . . . a Six in the price range of the four!

Spectacular as Chevrolet's achievements have been in the past . . . notable as its engineering triumphs have proved themselves to be—this remarkable new car dwarfs every previous Chevrolet accomplishment. Not only does it introduce into the low-priced field an entirely new measure of performance, comfort, beauty and style—but it is sold at prices so low as to alter every previous conception of motor car value.

The new six-cylinder valve-in-head engine—developed from more than a hundred motors designed especially for this sensational car—stands out as an engineering masterpiece. With a power increase of approximately 32% over the previous Chevrolet motor . . . with sensationally greater speed and faster acceleration—it offers a type of performance that is literally astounding—even to those who have been accustomed to driving cars costing hundreds of dollars more. And it affords an economy averaging better than 20 miles to the gallon of gasoline!

In appearance, this Outstanding Chevrolet is destined to become an automotive sensation—so smart, so stylish and so distinctively appointed that it rivals the

costliest custom creations. The marvelous new Fisher bodies are longer, lower and roomier with an adjustable driver's seat in all closed models—and reveal the matchless artistry of Fisher designers. With their modish new colors, their smart dual mouldings and their distinctive concave pillars, they achieve a degree of original beauty that has seldom been equalled in motor car design.

You are cordially invited to visit our showroom and secure complete and detailed information on this sensational new car which will be ready for delivery beginning January 1st.
