## A SERIOUS CHANGE

Kentucky Lady Was Seriously Ill for Months But Was Finally Relieved By Cardui

Lawrenceburg, Ky.—"At a time in my life, when my health was undergoing a serious change," says Mrs. J. C. Ray, who lives near here, "I found Cardui to be of the greatest benefit to me. I was seriously ill for about two months, and for several months I was not well. My nerves were all unstrung. I could not bear the least noise around me. I could not sleep. "My head ached until it seemed as if it would burst. My feet and limbs swelled dreadfully. I felt tired all the time. When I was up, I dragged around the house, but most of the time I spent on the bed. "I got Cardui and began taking it regularly. Very soon I could see that it was helping me. I began to sleep better and eat more. The awful nervousness got better. "When I had finished the first bottle, I was much better than I had been for many weeks. I was so encouraged that I kept right on. Before very long I was doing all my housework and was feeling quite well. "Thousands of other women have been helped by Cardui after long suffering from weakness and nervousness."
