

Rutherfordton Farmers Poultry Growers Turning Improve Their Lands Their Attention to Capons

Soil improvement is occupying the attention of Rutherford County farmers this year. Thousands of pounds of lespedeza seed has been planted and considerable farm land terraced.

Poultry growers of Durham County have turned their attention to the production of capons and will grow a large number for a select trade.

POSTPONEMENT OF TAX SALES IS NOT POSSIBLE

Rules That Law Allowed Postponement for the Year 1931 Only

That the law makes no provision for the postponement of tax sales this year was made certain in a ruling handed down this week by Attorney General Dennis G. Brummitt, who said that the law passed by the General Assembly last year for the postponement of tax sales for the year 1931 only.

The ruling was offered at the request of County Attorney B. L. Fenness, of Guilford. No solitary subject of the general assembly of 1931 took up more time than that of land sales for taxes and considerable legislation died before there was finally enacted a provision forestalling such sales until late in the year.

The opinion of the attorney general will be the law on this subject until somebody is about to be sold out and some sort of restraining order will be sought to hold up procedure for this enforced collection of taxes.

EAST CAROLINA FIREMEN MEET

Plans Are Being Made for Elaborate Entertainment Of Many Visitors

Plymouth, N. C., April 1.—(Special.)—Final preparations are being made here this week for the entertainment of the East Carolina Firemen's Association, which will meet here April 12, with about 400 firemen from a score of towns in this section expected to attend.

Special arrangements have been made for the association to visit the historic Kitty Hawk and Slade fisheries that are located on the converging point of the Roanoke and Middle Rivers about two miles from here.

Those wishing to take advantage of this trip are urged to report at the local firemen's quarters not later than 4 o'clock in the afternoon when boats furnished by the fishery organization will take them to the plant free of charge.

The firemen are expected to be here from Ayden, Belhaven, Beaufort, Farmville, Greenville, Kinston, LaGrange, Morehead City, Mount Olive, New Bern, Plymouth, Robersonville, Bethel, Raleigh, Snow Hill, Washington, Williamston, Columbia, and Goldsboro.

R. A. Joyner, of Farmville, secretary of the East Carolina Firemen's Association is expected to be here also.

GROW DAHLIAS ALL OVER STATE

Plant Furnishes One of Prettiest and Most Colorful Blossoms

Dahlias may be grown in central and eastern North Carolina with the same success that they are propagated in the mountains if the proper varieties are used.

This is the opinion of Robert Schmidt, vegetable specialist for the North Carolina Experiment Station, who has won quite a reputation for his dahlia garden.

While dahlias are peculiarly adapted to the western section of the State, there are many varieties suitable for the warmer sections.

have not been paid after June, 1932, and the first Monday of the month, June 6, is the limit.

The delinquent list would be advertised in May, and the sales would proceed in June. It is anything but a joyful tidings which the attorney general gives out.

VICTORY FUND DRIVE ENTERS FINAL MONTH

Total Nears \$10,000; Plan To End Campaign By April 15th

With a total of \$8,472.35 in hand, the campaign of the Democratic party to secure funds through its Victory Fund drive with which to wage the 1932 campaign has entered upon its final month in North Carolina, it was learned today through L. T. Fowden, chairman for Martin County.

"I expect to close the campaign in North Carolina by April 15," said C. L. Shuping, of Greensboro, state manager, in a recent letter, "and then to spending the 15 days from that date to May 1 in winding up the canvassing in such counties as do not complete the work by that date."

Mr. Shuping expressed the belief that the object of the campaign would be attained. He stated that John W. Davis, national chairman, had advised him that more than \$550,000 of the goal of \$1,500,000 had been collected, this representing contributions received from every section of the nation, but that no state had completed its work.

"For instance," said Mr. Shuping, "we have collected \$8,472.35 in North Carolina, but the canvassing has been waged intensively in only 23 of the 100 counties. I have this week advised all county managers that we have only about 30 days in which to complete the work, and have urged upon them the necessity of making a thorough canvass of the State in that time.

Bertie Farmers Forced To Replant Tobacco

A number of Bertie County farmers have found it necessary to replant their tobacco and tomato seed beds, due to the recent freeze.
