

COUNTY VOTES FOR ROOSEVELT

(Continued from the front page)

Goose Nest: J. W. Hines, chairman; H. M. Ainsley, B. M. Wossley, E. E. Pittman, and T. H. Johnson.

Edwin James was made a member of the congressional committee; R. L. Coburn a member of the judicial committee; and J. G. Staton, a member of the senatorial committee. These committees hardly ever meet, it is understood.

The resolution introduced by Mr. Dunning: "Be it resolved, by the Democratic voters of Martin County, in convention assembled on this, the 11th day of June, 1932, that because of the tremendous expense attached to it, we oppose tremendously any second primary for the nomination of a United States Senator, and we heartily endorse the nomination of Robert R. Reynolds for Senator, and we endorse and approve his position on the prohibition question."

Record Race Victor Thanks Firestone

Upper left, Harvey S. Firestone, Jr., referee of the race, and Edsel Ford, pacemaker on the first lap. Lower, Fred Frame, the winner, and Jerry Hauck, riding mechanic, in the car they drove to victory.

Men, automobiles and tires set amazing new records of speed and endurance in this year's 500-mile international race on the Indianapolis Motor Speedway. Giving a splendid exhibition of cool and steady driving, Fred Frame, veteran of many races, won the event in record-breaking time. With an admiring throng milling around him after his sensational victory, one of the first things Frame did was to send the following telegram to Harvey S. Firestone, pioneer tire manufacturer: "I want to congratulate you and thank you on the success of Firestone tires

which helped me win the Indianapolis 500-mile race today without tire trouble, setting a new record of more than 104 miles an hour for the 500 miles." The race throughout was a remarkable Firestone triumph. Every car that finish was equipped with Firestone Tires. The first four broke the former record of 101.18 miles an hour made by Peter De Paolo in 1928. In all the history of the famous motor race there has never been a more severe test of tires and never a finer demonstration of their qualities than was furnished this year. It was the thirteenth consecutive victory for Firestone.

Wake Up Your Liver Bile - Without Calomel

And You'll Jump Out of Bed in the Morning Rin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in pimples. Your head aches and you feel down and out. Your whole system is poisoned.

It takes three good old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up."

They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely. But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resent a substitute. 25c at all stores. © 1931, C. M. Co.

A Short Introduction

to a History of Human Stupidity," a recent 500-page book, gives as Proof No. 1 of stupidity the fact that 84 out of 100 persons reach the age of 65 practically penniless.

Disaster can overtake the most industrious and intelligent. But many more people could become financially independent if they would cultivate the habit of systematic saving.

"An intelligently managed bank account gives youth its start in life, middle age its competency, and old age its comfort and security." This bank is a good place to keep savings safe and busy.
