**Wake Up Your Liver Bile**  
—Without Calomel

And You'll Jump Out of Bed in the Morning Rin' to Go

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes, your hair aches and you feel down and out. Your whole system is poisoned.

It takes those good old CARTER'S LITTLE LIVER PILLS to get those two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resent a substitute. 25c at all stores. © 1931, C. M. Co.
