

NEXT WEEK HOLY WEEK

Beginning Monday, March 26th
And Continuing Through Sunday, April 1st

SERVICES IN EVERY CHURCH

Realizing the supreme importance of Christian ideals in every one's pursuit of happiness and the advancement of one's own business interest as well as the betterment of society, Williamston's religious leaders are appealing to every man, woman, and child in the town and community for their interest in religious activities during the Easter season beginning next Monday.

In advancing the movement next week, the leaders are only asking the presence of every one upon a service in any one of the several churches each evening and at the Watts Theatre each noon period for a short service.

Special messages, leading up to one of the most hallowed periods in religious worship throughout the Christian world,

have been prepared by the ministers of the town and will be delivered by them with the assistance of visiting preachers during the period commonly called "Holy Week."

The ministerial group here is not attempting to make the people of the community accept the challenge as an obligation; its members are asking every one to join in the movement with a spirit of willingness that a finer understanding of Christ's principles and teachings might be developed.

Make your plans to attend every one of the services of your choice during next week, for the time is now ripe for the recreation of every one's life after the pattern of the Master.

20-Minute Daily Service at Watts Theatre
