

Bertie Negro Sentenced For Death of Local Man

Adjudged guilty of involuntary manslaughter by a Bertie County jury this week, Elisha Rascoe, Bertie negro, was sentenced to prison for a period of four years by Judge E. H. Cranmer yesterday. The sentence was suspended upon condition that the man pay the widow of Vance Bryant \$400 and the cost of the action and show good behavior for four years. Bond was required in the sum of \$250. Rascoe, who proved to the court that he had paid hospital expenses and costs of Bryant's funeral, was directed to pay to the Bryant woman \$100 the first of next November and a like amount each November until the \$400 was paid.

Bryant, Williamston colored man, was fatally injured when thrown from a truck struck by Rascoe's car on the river fill the 18th of last month. He died in a Windsor hospital several days later.

Seine Fishing Nearing Close At Jamesville

With catches falling as low as 100, seine fishing on the Roanoke at Jamesville and Camp Point was reported today to be nearing a close. However, operations will be continued through next Monday, a five-day extension having been granted, allowing the fisheries to operate through next Friday if the catches justify the activities.

The plants at Plymouth suspended operations this week.

To Attend Dental Society Meeting

Dr. J. L. Spencer leaves tomorrow for Pinehurst where he will attend a State dental society meeting next Monday, Tuesday and Wednesday. He will return to his office here Thursday morning.

SCHOOL NEWS AT OAK CITY

Achievement Tests

Seventh grade pupils were given State achievement tests last month. As an outcome, several averaged 8th grade, Cleo Piland ranking highest. Others ranked from the 7th down to the 5th grade, but the class as a whole made an average of 7th grade. It might be well to note that more children were weaker in spelling than in any other subject.

Rides Wheel Thirty-seven Miles To Deliver Speech

Robersonville, May 6.—Many people would be glad to do a good deal of riding to avoid making a speech, but Vernon Ward, of this place, turned the tables and pedaled his bicycle 37 miles each way to talk to the Farmville School. He set out Monday afternoon and returned Tuesday morning.

Mr. Ward, who recently completed a round-the-world tour, talked on the subject, "Trapped in Kashmir." Since his return he has addressed the local Woman's club, the Farmville Rotary club, and the local high and grammar schools. His talks bear out the idea that truth is stranger than fiction.

MOTHERS—HELP US WIN MARTIN COUNTY FOR CHRIST

"Search the long annals of proud Rome and Greece, The Tombs of war, the chronicles of peace. Ransack the old and modern rolls of fame, To fit the brightest splendor on a name, The name above all earthly names is MOTHER." The greatest word is God. The deepest word is Soul. The longest word is Eternity. The swiftest word is Time. The nearest word is Now. The darkest word is Sin. The meanest word is Hypocrisy. The broadest word is Truth. The strongest word is Right. The tenderest word is Love. The sweetest word is Home. But the dearest word is Mother. "God could not be everywhere, so He made Mothers."—Jewish Proverb.

METHODIST

Church school, 9:45 a. m. Mother's Day sermon and service, 11 a. m. Epworth League, 6:45 p. m. Evening service, 8 p. m. This is sacrificial month for the local Methodist church. Our district conference meets at Englehard June 2 and 3, and we—the Williamston charge—want to be on the map at that conference, and to do so we must make some sacrifices between now and then. Come on, every Methodist in town, and let's do great things for the church.

Locals Defeat Farm Life 12 To 3 Here Yesterday

Behind the six-hit pitching of Freddie Summerlin, the local high school baseball team defeated Farm Life here yesterday afternoon 12 to 3. Wynn worked behind the bat for the locals and accounted for a home run. Harrington and Griffin formed the battery for the visitors. Hardison and Andrews let at bat for Williamston.
