

36,000 Needy Obtain Aid During January

Raleigh — Almost 36,000 needy aged and dependent children of North Carolina received \$282,053.41 in Social Security benefits from the state, federal and county governments during January, according to an announcement by Nathan H. Yelton, director of the Division of Public Assistance of the State Board of Charities and Public Welfare.

The announcement said that 22,526 needy aged were awarded a total of \$209,678.14 for an average of \$9.31, while 13,368 dependent children were recipients of \$72,375.27, an average of \$5.41. The total number benefited was 35,894.

The payments for January exceeded those for December, 1937, by \$23,662.58. During the latter month, 32,780 needy aged and dependent children received \$258,662.58. The

number of recipients increased by 3,114 during January.

In connection with the announcement, Yelton issued the following statement:

"The State Board of Allotments and Appeal ruled some time ago that counties must not make grants of less than \$5 for Old Age Assistance cases, and maintain an average of \$8. The county minimum average for dependent children is \$4.

"It is not anticipated that more than 30,000 Old Age Assistance cases will be on the program by the end of the fiscal year, July 1, 1938."

Extension Work Organized To Increase Farm Income

Extension work was organized for the primary purpose of increasing the income of the individual farmer and that remains the purpose until this day, said Dr. J. A. Evans, speaking at the recent conference of the North Carolina Agricultural Extension service.

RELIGIOUS NEWS

Go To Church Sunday

BAPTIST

Bible school, 9:45 a. m.
Morning worship, 11 a. m.
B. T. U., 6:30 p. m.

Evening worship, 7:30 p. m. in the Episcopal church with a union service.

Dr. W. R. Burrell, a native of Canada, an English gentleman, a powerful gospel minister with rare oratorical ability and a great friend to Williamston people will be here from the fourth through the fifteenth of April in a Pre-Easter series of meetings. The purpose of this program just prior to Easter is to resurrect church members.

EPISCOPAL

John W. Hardy, Pastor
First Sunday in Lent.
Church school, 9:45 a. m.

Celebration of the Holy Communion and sermon, 11 a. m.
Evening prayer and sermon, 7:30 p. m.

WHY DO CHRISTIANS SUFFER?

Three reasons are given for the suffering of Christians. All three have the same purpose. "That we may be conformed to the image of Christ." To obtain this end, Christians suffer for their own good, for the good of others, and for the glory of God.

The Apostle Paul in First Corinthians the eleventh chapter and the thirtieth and thirty-first and thirty-second verses says this:

"For this cause many are weak and sickly among you, and many sleep, (are dead), for if we would judge ourselves, we should not be judged, but when we are judged, we are chastened of the Lord, that we should not be condemned with the world."

Why do Christians suffer. Paul says it is chiefly because as Christians we refuse to judge our sins and rid ourselves of them. When the Christian confesses his sins and turns from them, he is forgiven. But when he continues on in some besetting sin and refuses to let it go, he may rest assured that at some time or other, God the Father, will stretch forth His chastening hand to purge and cleanse us from that sin.

The reason why the Father is so anxious to confess our sins, is that we may not be condemned with the world. God punishes our sins here and now—in this world—that when we stand before Him at the last day we will have paid their penalty and as a consequence He will not then condemn us.

The life that is free from sin is happy, healthy, and helpful. At times we are tested by God to see if our faith in Him is real or just put on, and these testings sometimes take the form of misfortunes, difficulties and disappointments. The result of such tests is that we become more and more like Jesus day by day.

Do you sometimes wonder why life is so full of sorrows for you? Then search your life first of all and see if you personally are not to blame. If all sin has been confessed and forsaken and still there is sorrow and suffering, then count it all joy, rejoice and be glad, for this is a sure sign of sonship, you are to be congratulated, for whom the Lord

Sunday School, Too!

CHRISTIAN

Rev. John L. Goff, Minister
Bible school, 9:45 a. m. James C. Manning, superintendent.

Morning worship, 11 a. m., conducted by the pastor.

Evening service called to meet at the Episcopal church to join with the other churches in welcoming the new rector.

Wednesday, 7:30, the study of Matthews gospel.

Thursday, Dr. C. H. Plopper speaks at 3 o'clock and 7:30. Public invited.

Rev. John L. Goff will be the guest speaker at the Woman's Day program, given in the Plymouth Christian church on Sunday evening.

METHODIST

Dr. S. A. Maxwell, Minister
Church school, 9:45 a. m.

Morning worship, 11 a. m. Theme: "From Trouble to Triumph."

After worship at Holly Springs, 3:30 p. m.

Young People Meet, 6:30 p. m.

Choir practice tonight, 7:45 p. m.

The fifty-five club is doing fine work in enlisting new members in the church school and the night preaching services. We are joining in the union service Sunday night at the Episcopal church. Let all club members bring a new member to Sunday School and to this union service Sunday.

loveth He chasteneth and scourgeth every son whom He receiveth.

—Yes, suffering is for our own good, for the good of others, and for the glory of God, to the end that we may not be condemned with the world, and that we may some day be like Christ, Himself, in body and spirit.

DO YOU USE POTASH?

NO! **YES!**

Yield per acre . . . 920 lbs.	Yield per acre . . . 1,450 lbs.
Income 920 x 3.5c = \$32.20	Income 1,450 x 3.5c = \$50.75
Cost per acre 30.00	Cost per acre 33.00
PROFIT per acre \$2.20	PROFIT per acre \$17.75

THE above figures are actual results of an experiment conducted by the Virginia Experiment Station at Holland, Va., showing the comparison in yield per acre where no fertilizer was used with the yield where 40 lbs. of actual potash (K₂O) were used per acre. This amount of actual potash can be applied by using 500 lbs. of a mixed fertilizer containing 8% potash or 80 lbs. of a high-grade potash material.

Consult your county agent or experiment station about the needs of your own soil. See your fertilizer dealer or manufacturer. You will be surprised how little it costs to apply enough potash to get the most profit.
