Banks To Observe Next Tuesday As A Holiday
Next Tuesday, Halifax Day, will be observed as a holiday by the two local banks as well as others throughout the State. It was on April 12, a short time before the signing of the Declaration of Independence that a group of patriotic citizens met in Halifax and passed what is known as the "Halifax Resolve." The event is recognized as the first recorded act in open opposition to England. Mecklenburg Day soon followed, the actual signing of the Declaration coming a short time later.

No other business houses will observe the day as a holiday here.

Plumbers Are Holding Meeting Here Tonight

Fire Wrecks Humble Home On East Church Here

Fire, believed to have been started by a rodent in a little-used dresser, wrecked the home of Rose Chesson, colored woman, on East Church street here last Tuesday afternoon. No accurate damage check has been released by W. V. Ormond, rental agent, but it is estimated the loss will exceed \$200.

All of the roof was burned and the top timbers were burned down to a point even with the top of the second story. Volunteer firemen almost brought the fire under control with a hose line direct from the truck, but a connection with the town's water mains was necessary. The firemen laid 1,000 feet of hose from the burning house to the nearest hydrant.

The house was in bad repair but it was home for nine or ten people.

"No other tractor gives you such a good view of your work."

John Deere GENERAL PURPOSE Tractors

On a John Deere Tractor, you sit in a natural, relaxed position and get a good view of the work on either side without strain. You can see several hills ahead, too, when you're cultivating with a John Deere. Among the many other features John Deere Tractor owners appreciate are the two-cylinder engine design which permits them to burn low-cost fuels, straight-line draft, four speeds forward, easy operation, roomy platform, adjustable rear wheels, conveniently located power shaft, hydraulic power lift, differential brakes, and quick accessibility for adjustments. Come in and get the full story on these tractors.

Your Fly Spray Money Buys More

When you buy Watkins Fly Spray, you get more for your money. It's cheaper because you use less. Every gallon of it goes two to three times as far as the same amount of heavy oil base sprays.

You can use it in the house, also in the barn at milking time, and in the milk house, for it is clean, odorless and will not stain. You are really getting a high class household spray as well as one for the barn when you buy Watkins.

I'll tell you all about it when I call and also will show you how you can save money on needed household products which I carry.

ARCADIAN NITRATE PAYS on Cotton in N. CAROLINA

Because

1. Arcadian Nitrate supplies NITROGEN — the growth element in —
2. Immediately active form, which —
3. Matures the crop earlier,
4. Promotes heavier fruiting, makes higher yields
5. Sweetens the soil — lessens need for lime, and —
6. Makes soil potash* more available (thereby reducing cotton rust)

*Does not eliminate need of ample potash in mixed goods.
