

Tom Crockett Sets New Track Record At Hill

Tom Crockett, young son of Mr. and Mrs. C. G. Crockett, of Williamston, featured in a track meet for the University of North Carolina against Princeton at Chapel Hill this week when he established a new record on Fetzler Field. The young athlete ran two miles in nine minutes and 51 seconds to hold first position in the contest.

English People Touring Section In London Car

Riding in a big Rolls Royce, two English women and a gentleman visited here a short while yesterday afternoon, their car bearing a Great Britain license tag about two feet long and several inches high. "This weather reminds me very much of

London," the Englishman said in commenting on the drizzling rain. The party was on its way from Florida to Washington City.

The group stopped at Chick Manning's filling station, and Gus Harrison allows that they came all the way from London to get Texaco products.

Locals Lose Second Game To Tarboro, 9-2

Tarboro high school completed a clean sweep over Williamston for the year by defeating the locals, 9 to 2 on the school diamond Tuesday afternoon. Verble Jones pitched a steady game for Williamston, but as in previous games, numerous miscues by his teammates provided the margin of victory. Wynne and Mobley were the only home players to hit safely more than once.

Hauger Announces Line-up For First Game Here Sunday

Manager Scouting Durham Camp For Additional Players

Harold Fitzgerald, big right-hander from out in Nashville, is scheduled to start on the mound for the locals against the Norfolk Tars in an exhibition opener here next Sunday afternoon at 3 o'clock. Manager Art Hauger announced today, adding that Rex Dilbeck, Cotter, Arkansas, left-hander, and Grant Jefferson, a member of the Martins' pitching staff last year, will handle the relief work. Training activities have been interrupted during the past few days, and the Skipper found his decisions difficult, but he is certain of several positions and figures the visitors will know they have been in a baseball game before they leave here that afternoon.

Joe Barnes, "Alabama" McCay's friend from down in Cedar Town, will hold down third base with Louie Grahovac, another newcomer from out in Thornton, Illinois, as chief assistant. The two leading the batting list. Lunt, of Palm Beach, is slated for work at short, and he will bat second. Steve Lakatos, old guard at second, follows Lunt. McCay, next in the batting order, will be shifted from right field to the center position. Poynter, the healthy catcher from Mountain Home, is next in the skipper's line-up. Jim Bradshaw, of Washington City, will be on first. Nick Bubbash, accompanying Grahovac here from Illinois will be in the left field, and Thomas Tice, Martin County youth, is slated for the right field position.

The line-up is subject to change, Manager Hauger stated, and it is likely that all members of the training camp will see action against the Tars. Claude Corbitt, at one time with the Martins, will be in the line-up for the visitors.

Rainy weather has delayed the formation of a definite team, but the club officials are not the least worried. They maintain the aggregation will be in shape and ready to go in ample time.

Camp spying hardly got underway before it was rained out, but the boys feel certain that Poynter is a safe bet for the backstop position, Dilbeck and Fitzgerald look good in their positions and are not at all bad at the bat. And Thomas Tice, 19-year-old son of Mr. N. T. Tice, of Griffins Township, is attracting much attention. The observers feel certain the youngster has the "makings." McCay and Lakatos are looking better than they did a year ago, and the entire group is serious in their efforts to earn permanent places on the team.

Ministerial Group At Sweet Home On Sunday

Dr. H. S. Lilley and a group of Atlantic Christian College ministerial students will conduct the services in the Sweet Home church Sunday morning at the 11 o'clock hour, it was announced. The ministerial band will be accompanied by a male quartet, and an interesting worship program has been planned.

The special service is expected to attract a large congregation, the church leaders extending a cordial welcome to everyone to be present.

Hog-grading Service Planned for Farmers

Plans for training men to grade North Carolina hogs before they are shipped to market have been announced by H. W. Taylor, extension swine specialist at State College.

The announcement came after Taylor had spent about a year in studying the present hog marketing situation in this state and in conferring with packers and representatives of the U. S. Department of Agriculture.

A grading service is needed, he says, to determine the condition of the hogs so that the proper deductions may be made when the pork is soft or oily.

"Later this year we hope to have trained men whom both buyers and growers will accept as qualified to grade hogs accurately," Taylor added.

The graders will be supplied by the bureau of agricultural economics and trained by the bureau of animal industry. Packers have offered the use of their coolers to be used as laboratories in training the graders.

Warehouse Construction Awaits Steel Shipment

Construction work on Williamston's fourth warehouse continues at a standstill, the builders explaining that the building activities would be resumed just as soon as a shipment of steel reaches here from Bristol, Tenn. The 60-foot steel rafters are now promised by the 18th of this month, but a further delay is expected, the warehouse owners, Messrs. John Gurkin, Sylvester Lally, Ollie Belch and S. C. Griffin stating that it will possibly be the latter part of this month before work is resumed.

Former Local Citizen Dies In Rocky Mount

Mr. H. H. Ezzell, father-in-law of Mrs. Exum Ward, of Williamston, died at the home of his nephew, Mr. L. H. Ezzell, in Rocky Mount last Tuesday. Funeral services were held Wednesday and interment followed in the family plot in the Mt. Olive cemetery. Mr. Ezzell was the last member of his immediate family.

Prior to his moving to Rocky Mount five years ago he made his home here with Mr. and Mrs. Exum Ward for a number of years and had many friends in this community.

County Smokehouse Raided Early Part Of This Week

Raiding the smokehouse of Frank Gurganus between here and Everetts the early part of this week, robbers stole twenty nice hams—all the hams the owner had. It was the second sizeable meat raid reported in this county in recent weeks, robbers having bore down heavily on several smokehouses in Cross Roads some time before.

Officers are working on the case, but they have made no arrests so far.

One Out Of Every Three Examined Has Syphilis

(Continued from page one)

During last month, the health department report shows there were thirty-three cases among white children located in the Everetts, Hamilton and Oak City communities. Measles, reaching the epidemic stage in many sections of the State, hardly made an appearance in this county, the department reporting only four cases during the period. There was a lone chickenpox case. Only one of the 81 cases of syphilis was reported by a practicing physician in the county.

Mrs. Elsie Jackson left for Rocky Mount today where she will spend the week-end.

WANTS

WANTED IMMEDIATELY — ONE used 300-500 egg incubator. Write Mrs. Z. H. Beppard, R. F. D. 3, City.

SEWING MACHINE REPAIR
Work wanted. Guaranteed 12 months. Call or write, C. S. Richards, 206 Church St., Williamston, N. C.

Judge Peel Calls Fourteen Cases In His Court Monday

Recommendation of Permanent Revocation of Driver's License in Case

Idle since the middle of last month the county recorder's court resumed its work Monday. Judge Peel calling fourteen cases and continuing seven others, including two charging alleged drunken driving. Five of the cases disposed of by the court Monday alleged drunken driving.

The court recommended that the operator's license of J. S. Whitman, adjudged guilty of drunken driving, be permanently revoked. Judgment was suspended as to fine and no costs were taxed against Whitman. It was the second case that the court in this county had recommended to the Motor Vehicle Bureau the permanent revocation of a driver's license.

Thomas A. Spencer, charged with drunken driving, was fined \$50, taxed with the case costs and had his license revoked for a period of one year.

The case charging Ira Thomas Hassell with drunken driving was noprosecuted.

Charged with an assault with a deadly weapon, Harold Brown was sentenced to the roads for three months, the sentence to begin at the direction of the court. The defendant was ordered to pay a \$25 fine and costs of the case.

Jasper Woolard, pleading guilty of non-support, was directed to pay to his wife \$7.50 each month during the next six months and \$10 each month for the following six months and pay doctors' and drug bills.

Herbert Collins and Lyan McLoyd, charged with violating the liquor laws, were each sentenced to the roads for 60 days.

Carl Bullock, charged with burning woods, was found not guilty.

Judgment was suspended upon payment of the cost and a \$10 fine in the case charging Willie C. Davis with an assault with a deadly weapon.

William Slade was fined \$50 and taxed with the case costs for carrying a concealed weapon.

The case charging Herbert L. Hopkins with non-support was noprosecuted.

Peter Little, charged with drunken driving, was fined \$50, taxed with the cost and had his license revoked for one year.

A similar judgment was handed down by the court in the case charging Roscoe Clemmons with drunken driving.

Judgment was suspended upon payment of cost in the case charging Willie Williams, colored, with an assault.

Charged with trespass, James Rhodes, colored, was sentenced to the roads for sixty days, the sentence to begin at the direction of the court.

Cure your Tobacco the modern way with Buckeye Rite-Heat low cost curing system

As last we can offer our planter customers a perfect curing system that costs little to install, that costs little to operate. It is a system built by one of the largest manufacturers in the country who have built all heating equipment for farmers and planters for many years.

This system consists of four convenient stoves, one located in each corner of the barn, controlling temperature perfectly and accurately from the outside with patented control. This system has eliminated the necessity for constant watching of many burners, back-breaking labor and sleepless nights when burning wood.

HERE ARE THE UNITS

A demonstration unit is on display at our store and we will gladly show you its many advantages without obligation—show you how the increased price you'll get for properly cured tobacco will easily pay for it. Let us show it to you.
