A Message of Vital Importance!

The VanDyke Furniture Co., after five years in business in Williamston and feeling that there should be a way of showing, in a substantial manner, their appreciation for your past patronage, have decided to close out their entire stock to the highest bidders. This is not a going out of business sale. This is a profit-sharing and good-will event. Therefore, starting June 9th and for a short time you may come into our store, select any item in our stock and it will be sold to the highest bidder. With this in mind we have employed H. W. Neely, America's foremost Furniture Auctioneer. Mr. Neely is a furniture expert noted for his fair methods of selling. We sincerely hope you will attend our sale and that you will bid, buy and save.

(Signed) Mr. G. G. WOOLARD, Mgr.
