## Marshall and Bowen Hurt Going After Tall Fly Here

Running together when after a high fowl off the bat of Lehman in the eighth inning of the game with Tarboro here last Tuesday afternoon, Gene Marshall and George Bowen, Martins' catcher and third basemen, were painfully hurt. Gene suffered a bad gash on his forehead, one that required several stitches to close. Unable to wear a mask, he is out of the game for a few days. Bowen, his chin cut badly, continues in the game.

## McCay Quits The Coastal Circuit, Returning Home

Brice McCay, recently released by Ayden, quit the Coastal Plain circuit and is returning to his home in Oneonta, Alabama, shortly. McCay was a mainstay in the Martins' pasture all last season, and started in the right field position this season. He accepted an offer from New Bern and later joined Ayden.

## Pitcher Eddie Harper Goes To DeLand, Fla. State Loop

Lefty Eddie Harper, recently released by the Williamston Martins, has returned to DeLand, of the Florida State League.

Last season Harper won 23 games for DeLand and set a strikeout record for the league, but during his stay with the Martins Lefty was unable to get into proper form.

## Parmele Disturbed Over Possibility of Losing Rail Service

(Robersonville Herald)  
There is much weeping and whining around here just now, all on account of the railroads. Quite a number of folks here make our bread and butter on the railroad, and they have posted notice that all passenger trains are to be discontinued in the near future. Now if that happens instead of plenty of bread and butter, there won't be any butter. It seems that the passenger trains don't sell enough tickets to buy axle grease, and they are not loving us enough to give us the pleasure of seeing the trains go by. We sure do like to watch them. All you Robersonvillians that come here on Sunday afternoon to let the trains bye, you better come every Sunday or there will be no more Sunday trains. Well, this sure makes us blue. We will soon be just another hick town in the country. Still rents will be low and taxes and light bills will be lighter than in Robersonville. So we still are way ahead. I don't know what to do about this serious matter unless we all throw a fit and persuade the higher ups in rail-roading that they can't get along without us. Perhaps a good way would be for every person in Martin county to buy a ticket to Weldon once a month. Never mind using it.

### Put Tarboro Down

On Wednesday afternoon, the Martins gained a 6-4 decision over Tarboro, thus pulling the Snakes from first place in the Coastal Plain league for the first time in a number of weeks.

### Mooney Returns

The locals were unable to take their fourth game from Tarboro in less than a week Wednesday, when they ended up on the short end of a 6-2 count.

Bernie Mooney, returning to the mound for the Snakes after losing the Sunday contest, held the Martins to seven hits, while striking out six, the victory putting the Snakes back on top in the league standing.

Williamston began a rally in the ninth inning when Bowen, Villepique and Briscese singled in order, to score one run. But the rally stopped at this point, the next three men going out in order.

No Williamston player found the offerings of Mooney for more than one hit. In the field, Ace Villepique made four put-outs and one assist.

### Two "Wrong" Pitches

Breezy Beaird lost his first game of the season yesterday to the Snow Hill club by the score of 2-1, after winning six.

It was a thrilling pitchers' duel all the way, with Cecil Longest, former University of North Carolina star, allowing but three hits while striking out 8 and walking eight, while Breezy gave up six hits, fanning six and walking two.

Barrow homered in the fifth for Snow Hill's first run, and was followed by a repeater by Bistroff in the ninth.

The Martins' score came in the eighth frame as the result of mixing a walk, sacrifice and hits by Lakatos and Ace Villepique.
