

Just **LUCKY** Are? How **You?**

*Luck Gets a Lot of Undeserved Credit
for Good Tobacco Sales—As a Matter of
Fact, Thinking Producers Never Gamble
Because They Know That—*

It Takes More Than Luck!

Select your market and warehouse just as you select your seed, fertilizer and land for tobacco. You don't leave that to chance, do you? What we're getting at is: Sell on a market of proven merit, with men who know tobacco and are recognized for experience, ability and willingness to work

Two Big Houses—Capable, Experienced Men

We can assure you every facility for the marketing of your tobacco. We are operating both the Farmers and the Planters Warehouses, providing ample floor space; and every member of our force is well known to the farmers of this section as courteous, efficient and friendly. We are truly grateful for your past patronage and sincerely hope to have the pleasure of serving you again this season. The latchstring is always on the outside, and you are welcome at our houses.
