

### Scouts Participate In Swimming Meet

Williamston's youthful Boy Scout swimming team, though generally inexperienced in the ways and wiles of aquatic competition, gamely contested every decision before finally knuckling under to a highly favored Kinston squad in the gigantic eastern North Carolina Council swimming events in Greenville on Thursday night.

Arthur Anderson, Martin Anderson, Donald Dixon, Jack Bailey, Burke Parker and Buddy Wier, accompanied by Scoutmaster and Coach Horace Ray, formed the personnel of the local representatives. Of this number only Arthur Anderson turned in a victory. He took a pie plate contest, bringing up nine in a single underwater attempt to beat his opponent from Kinston by a margin of two plates.

Though not winning in his event little Donald "Duck" Dixon, inexperienced in high board diving, stole the entire show, getting a tremendous ovation from the crowd on each appearance on the platform.

While the Williamston troop failed to bring back the triumph, this glorified failure can be charged to

### Native Of County Dies Suddenly At Home in Tennessee

#### Last Rites For Dr. Samuel Williams Were Held Wednesday

Robersonville, N. C., August 23.—Dr. Sam W. Williams, a former resident of Robersonville, died at his home in Gassaway, Tenn., Saturday night, August 19, from a heart attack.

Leaving here some 30 years ago, Dr. Williams went to Tennessee, where he practiced the trade of a saw filer. After following this trade for a short time, he entered a medical school in Memphis and after receiving his degree, began a practice in Woodbury, which lasted until his death last week. He was held in high esteem in his home town and county both as a citizen and a physician.

Dr. Williams returned to his old home last February to visit his brothers, sisters and friends. He apparently was in good health while visiting here and his sudden death came as a surprise to the family and friends.

He was 63 years old and a member of the Baptist church.

Surviving are two sisters, Mrs. Sapphira Wilson, of Beaufort County and Mrs. Ella Swannoy, of Richmond, four brothers, Tom Williams, of near Parmele; Augustus Williams, of Robersonville; Ed Williams, of Beaufort County; and Neal Williams, of Morehead City.

He was the son of the late Mr. and Mrs. Sam Williams of Martin County.

The body reached Rocky Mount Tuesday afternoon and was transferred to Bethel where it lay in state until Wednesday when it was carried to the home of his brother, Tom M. Williams, near Parmele. Funeral services were conducted there by Elder A. B. Ayers, of the Primitive Baptist church. Internment was in the Robersonville Cemetery.

Mr. and Mrs. E. N. Harrison, of Jamesville, shopped here Tuesday afternoon.

Mr. and Mrs. Ed Low Harrison, of Plymouth, shopped here Wednesday.

inexperience. With a little more practice in the art of competitive swimming, the local scouts can optimistically be expected to put on even a greater exhibition of sportsmanship and gameness than that seen last night.

### Local Leaf Market Marks Up Record

(Continued from page one)

A normal selling schedule next Monday. Preliminary reports indicate, however, that heavy sales will be in evidence the early part of next week.

#### Farmers' Reactions

Farmers are not complaining very much about the prices they are receiving, but it is quite evident that they are not satisfied and certainly not over-joyed with the price prospects. Comparatively few tags have been turned to date, the growers stating that they are receiving about what they expected. Later reports state that the growers are getting a bit upset with the price trend.

#### Buyers Make Impression

Williamston's 1939 buying personnel has made a marked hit with the growers. They have shown a marked interest in their work, examined every pile and displayed some keen competition up to their very top price limits even under unfavorable weather conditions and crowded circumstances. "They are not afraid to buy tobacco," one farmer commented.

The market this week has probably made the most successful start than in any other season since it was established. Trained and experienced organizations have handled very successfully the huge offerings for a large number of patrons in a shorter time than ever before. Comments by farmers who have visited over the belt have been very complimentary to the Williamston market, and present indications point to one of the biggest seasons in the history of the market.

#### Announce Revival Services At Church In Gold Point

Rev. Harold F. Brown will conduct a series of revival services in the Gold Point Christian church during the week beginning Sunday evening, August 27, it was announced today.

A cordial invitation is extended the general public to attend the services which will continue through Sunday, September 3.

#### Tarboro Rotary Club Holds Regular Orthopaedic Clinic

The Tarboro Rotary club will hold its regular Orthopaedic Clinic on Monday, August 28, 1939, at 9 a. m. at the Presbyterian Church Sunday School Rooms, Tarboro, N. C.

### Nip Illegal Liquor Manufacture In Bud

Anticipating a revived business following the opening of the tobacco market, illicit liquor manufacturers in the county have renewed their activities, but reports from the enforcement bureau indicate that the operators are experiencing much difficulty.

Wrecking several plants last week, Officers Roebuck, Haislip and Peel continued their destructive raids this week when they tore up two plants in Hamilton Township, poured out several hundred gallons of beer and confiscated five or more gallons of liquor.

Both of the plants wrecked during the early part of the week were located near the Martin-Edgecombe County boundary line. No one was arrested, a chase conducted by Jailor Roy Peel falling short of an arrest by only a few paces.

Liquor consumption in the county apparently fell off during the first day the markets were open, reports stating that legal liquor sales were smaller by around \$75 at the Williamston store as compared with sales on opening day a year ago. Similar percentage decreases were reported by the three other legal stores in the county.

#### Rose Holds Top Place In Softball Stick Work

"Zeke Bonura" Rose still leads the Big Six, inclusion in which affords local softball's highest privilege. As no games were played during the past seven days his .438 average of last week still retains his coveted position atop the heap.

Others included in the select circle are C. Hall, J. H. Ward, Clyde Griffin, Dillon Cobb and Jack Manning.

Speedy Cowen still paces the circuit in runs scored with 15, while J. Manning, also famed as Williamston's leading chunker, paces the entire loop in hits with 15.
