Timely Passing Nets Long Gains to Locals

Roberson Brothers And Anderson Take Visitors' Measure

Winning 26-0 Here Friday, Locals Go To Vanceboro This Week

Williamston High's Green Wave exploded a powerful offense to chalk up its fifth victory of the season, with a 26-0 count against the Scotland Neck High eleven here last Friday afternoon. The four Green Wave touchdowns were contributed by Martin Anderson, C. T. Roberson and Tootsie Roberson.

Scotland Neck opened the game with the kickoff to Hardison. The Green Wave looked great on the first several plays making a first down, but the Scotland Neck line tightened and the locals were forced to punt; and so the ball passed back and forth between the teams for the first period with neither team doing much damage.

The second period opened with the ball in Williamston's possession in the middle of the field. The locals began a strong drive, with Martin Anderson and T. Roberson doing most of the work. C. T. Roberson carried the pigskin on an end-around play for twenty yards to put the ball on the three yard line. M. Anderson pushed the ball over from this point on the next play. A pass from Boykin to T. Roberson made the conversion. Scotland Neck fumbled the ball on the second play after the kick, and Sullivan was in fast to recover for the Green Wave. The Martins failed on their second threat when they lost the ball on downs on their opponents' 1-yard line. Scotland Neck punted on the second down, but the punt was short to the 35-yard line. M. Anderson dashed over tackle through most of the rivals to the pay dirt for the second score. The extra point failed, and the first half soon ended with the Green Wave on top, 13 to 0.

The Scotland Neckers came back in the third period with a series of drives to the Williamston 30-yard line, but the threat was halted there with no serious trouble. Boykin kicked his teammates out of danger with a 45-yard punt. About the middle of the period the Green Wave began its drive for the third score of the afternoon from the middle of the field. Runs by Roberson and M. Anderson netted two first downs, but the locals were set back to the middle of the field again by way of two penalties and a bad pass from center. With second down and about thirty-five yards to go for a first down, the most sensational play of the game came when Boykin backed up to his own 35, and heaved the pigskin 40 yards into the waiting arms of Captain Roberson. Roberson then continued the remaining 25 yards to the promised land. M. Anderson made the conversion with a plunge over center.

In the fourth quarter, the breaks came the locals' way when they recovered a Scotland Neck fumble in enemy territory. Boykin showed his passing skill by throwing three times to put the ball five yards from the goal. T. Roberson went over, standing up, for the final count of 26.

The statistics compiled by Riddick showed M. Anderson, I. Cullipher and C. T. Roberson outstanding on defense, with each making five tackles. Crofton and A. Anderson helped considerably.

The Green Wave led in all departments, having made 13 first downs to
