

# Roberson Runs 80 Yards to Feature 6-0 Win Over Edenton

## Trade Barriers Section Is Set By The Cotton Body

Memphis, Tenn.—Continuing vigorous prosecution of its campaign against discriminatory margarine legislation, the National Cotton Council today announced the establishment of a section on trade barriers and penalties, to be directed by Phillip Tocker, of Fort Worth, Texas.

President Oscar Johnston of the cotton council said that the trade barrier department has as its major objective the increased use of cottonseed oil through elimination of federal and state restrictions on use and sale of cottonseed margarine.

First move in the new legislative program was made several days ago when the council submitted a brief to the U. S. Treasury Department at Washington, seeking the elimination of high margarine taxes and licenses included in the present internal revenue tax structure. The brief declared that removal of discriminatory taxes would triple the use of cottonseed oil in margarine, its second largest outlet.

Increased activity in the cotton belt campaign will get underway in January, 1940, Mr. Johnston said, when the Mississippi legislature begins its biennial session. Efforts will be made to have legislators of the state do away with present margarine license fees of \$100 on wholesalers and \$10 on retailers. These fees were said to account for the fact that only 7 per cent of Mississippi's retail outlets sell margarine.

Plans are being made to seek the repeal of prohibitive taxes and license fees in Tennessee and Oklahoma in 1941, it was announced, with present activities in the midwestern states to be continued.

The Council said its plea for elimination of discriminatory legislation was based on margarine's record as a healthful, nutritious food, and on the failure of present laws to provide any appreciable protection for the dairy industry.

Supervising the work of the trade barrier department is a governing committee made up of C. G. Henry, Memphis, Tenn.; J. H. Henry, Melrose, La.; Garner M. Lester, Jackson, Miss.; C. E. Larison, Wilmot, Ark.; W. T. Mikel, Columbia, S. C.; and C. W. Wallace, West Monroe, Louisiana.

### BIG TIME QUINT

Local basketball fans missed an excellent opportunity last night when only a small crowd turned out to see the Williamston Martins trim Windsor in an exhibition game.

Particularly outstanding is the breezy of L'il Artie Diem and Preezy Beard, and the steady play of "Bosko" Anderson and Fenner Wallace. Ace Villepique, or Jeff Grant will probably round out the starting five.

It has been reported that the locals have already scheduled games with Olson's Swedes and the House of David teams along with the leading quint in this section and the people of Williamston and vicinity are urged to give their loyal support by following the Martins this season.

Another exhibition game will be held Wednesday evening at the local gym with Oak City.

Each day the American people eat 400 miles of link sausage wrapped in "skins" made from cotton linters.

#### NOTICE: SALE OF REAL ESTATE FOR TAXES

J. James A. Rawls, tax collector for the Town of Oak City, N. C., has this day levied on the following real estate and will sell same at public auction, for cash, in front of the postoffice in the town of Oak City, N. C., on Monday, December 11, 1939, at 12:00 o'clock, P. M., for taxes due and unpaid for the year 1938, unless taxes, penalty and costs are paid on or before that date. The amounts listed below represent actual taxes due, the penalty and cost to be added to each account.

This the 8th day of November, 1939.

## Boykin Makes Record With A Trained Boot

### Friday Victory Was First Over Edenton In Number Of Years

#### Anderson, Boykin, Hardison Clear Way for Tootsie In His Long Run

Last Friday, for the first time since the days of Coach Brody Hood, Williamston High beat the strong Edenton High football team. Tootsie Roberson featured in a brilliant 80-yard run through the entire rival eleven to give the Green Wave the only score of the game.

Williamston opened the game with a long kick by A. Anderson. The Edenton Aces were unable to crack the powerful Green Wave line for any gain and were forced to kick. The punt was fumbled by Williamston to give Edenton the first break of the game when they recovered the fumble in midfield. Williamston had their backs to their own goal line when they finally took possession of the ball, but a 60-yard punt by Boykin soon eliminated the danger. Near the close of the first period Tootsie Roberson took the ball on his own 20-yard run, plunged over right tackle behind the fine blocking of Martin Anderson, Boykin and Hardison, to put him in the clear for an 80-yard run to the pay dirt. The placekick for the conversion was blocked.

In the second quarter Edenton threatened with a long march to the ten-yard marker. The Green Wave line held for three downs, and a pass in the end zone was batted down on the fourth down to turn the ball over to the Martins. Again a long punt off Boykin's toe put the Green Wave out of danger. The first ended with Williamston in the lead, 6-0.

The third quarter was fought nip-and-tuck in the middle of the field except for a drive to the 30-yard line by the Green Wave, where a possible touchdown march was stopped when Martin Anderson fumbled the ball after he had already gained the necessary yardage for a first down.

In the fourth period the Green Wave came to life again and really demonstrated the type of football that has brought their seven wins this season. C. T. Roberson broke through to block and recover a punt in the final period. The same Roberson also broke through in the closing minutes to stop an Edenton pass that fell into the hands of Jack Sullivan, Sullivan being downed on the 20-yard marker. Tootsie Roberson carried the ball from the twenty to the 5-yard line, but the Green Wave failed to push over another score. The 6-0 victory over Edenton gave the Green Wave lads their seventh victory of the season out of eight starts. Kinston High has been the only opponent to defeat the locals.

Tootsie Roberson and Martin Anderson were outstanding in the local offensive drives. C. T. Roberson, Martin Anderson and H. Wynne were best for the locals on defense. Boykin's punts averaged about fifty yards, unusually long for high school football. For Edenton, Skiles and Badham were outstanding for the offense. Edenton led in first downs, 7 to 5.
