**TRUST EXECUTED TO THE UNDERSIGNED**

Trust executed to the undersigned by W. B. Watts and wife Florence H. Watts on the 10th day of September, 1938, and of record in the public registry of Martin County, N. C. at page 131, said deed of trust having been given for the purpose of securing a certain note of five hundred and ten dollars with interest thereon made in the payment of the said note and the stipulations contained in said deed of trust, not having been complied with, and at the request of the said trust, the undersigned, trustee of said trust, on Saturday, the 10th day of December, 1939, at twelve o'clock noon, in front of the court house in the town of Williamston, North Carolina, sold the real estate to wit:

Beginning 187 1-2 feet from the back corner on Haughton Street of Gabriel Wiggins, thence along Haughton Street 62 1-2 feet to C. D. Carstarphen's corner, thence along C. D. Carstarphen's line 150 feet, thence along a line parallel with Haughton Street 62 1-2 feet, thence along a line parallel with C. D. Carstarphen's line to the beginning and being the same house and lot now occupied by said W. B. Watts and wife, Florence H. Watts.

This the 15th day of November, 1939.

**SAFER ROADS**  
will decrease accidents!

Needed: More roads with built-in safety—that make it hard for accidents to happen!

Three Essentials of a Safe Road

**MODERN ROADWAY DESIGN**  
Highway engineers know how to make roads safe by easing sharp turns, eliminating dangerous grade crossings, by providing ample widths, long "sight distance," AND a safe pavement surface.

**SURE NON-SKID SURFACE**  
The safety answer is concrete—skid-resistant, wet or dry—durable, true of surface, free from bumps, ruts, waves and other accident-breeding defects.

**UTMOST VISIBILITY**  
Concrete's light-colored surface reflects light without glare, makes headlights more efficient. Helps the driver see better.

\*\*\*  
**CONCRETE SAVES**—not only lives, but money. Concrete costs less to build than other pavements of equal load-carrying capacity. And far less to maintain than less enduring surfaces.

PORTLAND CEMENT ASSOCIATION  
State Plasters Bank Bldg., Richmond, Va.  
A National Organization to Improve and Extend the Uses of Concrete

**URGE MODERN CONCRETE ROADS AS A VITAL SAFETY MEASURE**

**Maybe George Won't**

How many of us have seen the picture of George Washington on the dollar bill? It is a picture of a man who was a great leader and a great patriot. He was a man who was a great leader and a great patriot.

George Washington was a great leader and a great patriot. He was a man who was a great leader and a great patriot.

**AN ELECTRIC RANGE PROVIDES A Mistletoe Mood!**

**IT'S ONE GIFT THAT KEEPS ON GIVING!**

The supreme gift for Christmas. Easy on the pocket, easy on the eye, in the form of a modern streamlined automatic Electric Range.

In your present state of mind, give her the gift that keeps on giving—day after day—week after week—year after year—a modern automatic Electric Range.

Think what a help it will be in the preparation of the 1,095 meals she cooks each year. Multiply these advantages by the number of years an Electric Range helps perform this faithful service.

Could ANY Christmas gift express so much? Obviously not! Its modern features provide new freedom from kitchen cares—new savings in food costs in operation, in cleaning economies and in actual work.

So this Christmas, why not give her the gift she has always wanted? Prices are low—the down payment is small—and the terms are easy. Make her a very Merry Christmas with an automatic Electric Range!
