

F.S.A. Announces Farms Available

A number of farms are now available for prospective applicants at Scuppernon Farms, large resettlement project of the Farm Security Administration, according to T. W. Armstrong, community manager, Columbia.

This large farming project, in Washington and Tyrrell counties, near the village of Creswell, is being developed by the Farm Security Administration in order to give a number of small farmers a chance to become owners and at the same time demonstrate better farming practices in the area. In addition to the family-sized farms on the project there has also been set up a co-operative farm enabling those who live on this part of the area to take advantage of the use of heavy machinery and modern large-scale farming methods.

Mr. Armstrong stated that the new farms available were made possible as a result of additional developments during the past year. Forty-one new houses are being constructed at the present time. Mr. Armstrong says he will be glad to furnish additional information to any farmer wishing to apply for a farm, if they will write him at Columbia, N. C.

Jamesville Dudes Win Over Windsor Rebels

Deadlock Broken In Second Extra Period Wednesday

Dudes Meet Colerain and the Lassies Play Chowan College Tonight

By JIMMIE REDDICK

The Jamesville Dudes continued their winning streak Wednesday night at Jamesville by defeating the strong Windsor Rebels in a very close battle by a score of 22-21. The regulation game ended in a 17-all deadlock. The teams went into an extra period and neither team seemed able to score, and the game was carried into the second extra period.

Shortly after the second extra period had started Jamesville's Holliday dribbled the length of the court and counted a two-pointer, which was quickly matched by a rebound shot by Walker. The ball changed sides a few times and "Spit" Martin, of the Dudes, counted a nifty two-pointer from midcourt. Again Walker evened the score by a nice rebound shot, and then Holliday was dribbling in fast for a crisp shot and was fouled, getting two shots. He made good on the second and made the

Goldsboro Stars Crumble Before Martin Onslaught

"Big Leaguer" Is Big Gun in Martin Offensive With 14 Points

Williamston's Martins notched their 31st win of the season when they walloped the strong Goldsboro All-Stars in a fast game played here Wednesday night. The final score was 43-24, and the Martins completely dominated the game as much as the score indicates.

From the time Jeff Grant took the opening tip-off, until the whistle blew ending the first half, the Martins gave as fine an exhibition of ball-handling, passing and sharp-shooting as has been seen on the local court all season, and the half way mark found them leading the Goldbugs by a 26-8 margin. During this period the locals had simply outclassed the potent All-Stars, who had won 25 games in 27 starts this year, in every phase of the game, as the entire team was definitely "on" at finding the basket, and they dropped in beauties from all angles.

Going into the second half with an 18 point lead, the locals were content to play the visitors on even terms during the remainder of the game, as they hit the rim for 17 points, while allowing the visitors 16. The Martins almost pulled an "iron man" act as the five starting players went the entire route with the exception of Pap Diem, who was replaced by Flack in the waning moments of the contest. It would be hard to single out the individual star for the locals, as all five offered a brilliant brand of heads-up ball. However, leading the scoring for the Martins was Jeff Grant, with 14 points, followed by Beard, Anderson and Wallace, each with 8.

Pacing the invaders was George Lauteres, with 10 markers. Don Dixon, guard, featured the floor play of the Stars.

score 22-21 in favor of the Dudes. There was a little court play and the whistle blew ending the contest.

The Dudes started the contest with a bang, having an eight-point lead at the end of the first quarter, but failed to score the second period and the score at the end of the first half was 13-11 in favor of the Dudes.

After the half the lead jumped from one side to the other, never getting over three points.

Grady Love, of the Rebels, held "Spit" Martin, the Dudes' biggest scoring threat, to 8 points, the lowest this season, however Martin led both teams in scoring for the evening. Walker, of Windsor, ranked high for the Rebels. D. Holliday and Brown were next in line for the Dudes with seven and six points respectively. Love was next best for Windsor with seven. Goldstein offered fine defensive play for the Rebels.

The Jamesville Dudes will go into action tonight when they meet the Colerain Red Devils in a return battle on the Jamesville court. Also the Jamesville Lassies will meet the Chowan College girls in a preliminary game here. Two very good contests are expected and the public is cordially invited to attend.

The Jamesville stars, girls and boys' teams, are expecting to enter the Gold Medal Basketball Tournament which takes place in Rocky Mount next week, reports Manager Hugh Hardison.

Williamston Quint Takes Victory No. 30 From Bulldogs

Locals Were Definitely "On" To Score Decisive 43-24 Defeat

The Williamston Martins turned back the Bulldogs of Atlantic Christian College in a hard fought game played last Tuesday night for their 30th victory of the season. When the firing was over and the smoke had cleared, the locals were on the long end of a 41-36 count.

The Martins scored the first field goal of the game and thereby went into a lead which the visitors were never able to overcome, although a rally in the last period closed the gap to four points, the nearest the Bulldogs came to catching up with the determined Martins, who were seeking revenge for a previous defeat by the Christians.

At intermission, the Martins were enjoying a 28-15 advantage, thanks to the sharpshooting of Breezy Beard.

The best point-makers for the losers were Gene Ange, Jamesville product, who scored 10 points to lead his team, followed by Broughton, center, and Holloman, diminutive forward, each with 9. Martin, substitute forward, who also hails from Jamesville, played well during his stay in the game.

Pacing the victors in the scoring column for the evening was the "Big Leaguer" himself, Breezy Beard, who hit the meshes for 7 field goals, several from near midcourt, for a total of 14 points. The elongated Jeff Grant dropped in 10 points to rank second, and Fenner Wallace ran third, with 8 markers. Diem and Anderson turned in good floor games for the locals.
