

Martins To Open Training Season on Wednesday, April 3

Jamesville Wins A. C. C. Cage Tournery Title Twice In A Row

County Team Gains Final Victory Over Alliance Quint, 32-24

"Spit" Martin Gains Place On All-Tournament Team

Scoring decisive victories in the preliminaries and semi-finals Jamesville's fast-stepping basketball team, led by one "Spit" Martin went forward last Saturday night to annex the Atlantic Christian College tournament championship title twice in a row, the youths defeating the strong Alliance quint by a 32-24 score. It was a thrilling week-end engagement for the county lads as they battled their way up through some keen competition in the Class B series. Farm Life, the only other entry from this county, was ousted in the first round, but the boys, as well as the youths from Jamesville, enjoyed the tourney.

Eddie Davis, Wilson Times sports editor, had the following to say about the finals nightcap last Saturday at 9 p. m.:

Dawson, Alliance center, and Alliance's forward Corbett, scored first in the first quarter. Then Captain Spit Martin, of Jamesville, retaliated. Stevenson, of Alliance, took a bad tip and made it into a field goal. Dawson and Angel then scored field goals to put Alliance out in front 10-2. After only three minutes of playing time, two personal fouls were called on Captain Martin. Jamesville's star center Martin made a free throw good when Alliance's Dawson fouled Martin then fielded one. Lee Angel, right guard for Alliance, then made two quick field goals in a row to put the Pamlico county champs out in front, 14-5.

A. C. C. TOURNERY CHAMPS

Above is the Jamesville High School basketball team which won the A. C. C. Class B Championship in Wilson last week-end. Reading left to right: front row: Joe Modlin, Macon Holliday, George Manning, Albert Martin, Second row: Manager Arthur Lilly, Andrew Holliday, Thurman Ange, Captain Thomas Martin, Dennis Holliday, Elwood Brown, and Coach S. G. Andrews.

day, George Manning, Albert Martin, Second row: Manager Arthur Lilly, Andrew Holliday, Thurman Ange, Captain Thomas Martin, Dennis Holliday, Elwood Brown, and Coach S. G. Andrews.

Pre-Easter Dance To Be Held At Jamesville

In an effort to raise funds for the athletic association a pre-Easter dance will be held in the Jamesville school auditorium on Friday night of this week. Hal Thurston has been booked to play for the event, and a large crowd is expected.

Captain Martin again tossed one in and the quarter ended, Alliance 14; Jamesville 7.

Crimp Holliday, of Jamesville, scored the first goal in the second period. And Alliance scored one. Then Zero Holliday scored a free throw. Jamesville scored two more of these. The score then went 16-12 with Alliance still in the lead. Jamesville's Captain Martin then scored one from the side with 59 seconds remaining in the half. Zero Holliday fouled Angel who made the free shot good for Alliance. Angel then fouled Holliday who failed to score. The half ended thus: Alliance 17; Jamesville 14.

Zero Holliday for Jamesville started the scoring in the third period and Martin then tied things up 17-17 with a good free throw. Crimp Holliday failed to make a free throw good. Jamesville then scored a field goal to go into the lead. Brown scored one for Jamesville. Zero Holliday then put it in. The quarter ended without Alliance scoring. Jamesville 23; Alliance 17.

A free throw by Martin started the scoring in last quarter. Martin scored another for Jamesville. Dawson then fielded one for Alliance to put the score at 26-19 with Jamesville leading. Angel of Alliance then made a free throw good. Corbett tossed one into the basket from middle court and put the score at 26-22 with Jamesville still leading. Holliday scored one for Jamesville while Angel retaliated for Alliance. Four minutes remained in the ball game at this point. Captain Martin tossed one in for Jamesville. Another for Jamesville.

Williamston Will Meet Erwin Here Thursday Night

Williamston's Martins will entertain the strong Erwin Red Birds on the local court Thursday night in what promises to be a fast game. The contest will begin at eight o'clock.

This is the return game of a home-and-home series between these two clubs, the first game having been played in Erwin last month. The score of that battle was 50-44 in favor of the Red Birds, and the Martins are still smarting from that defeat, and on top of that, this same Red Bird club defeated the Martins in the Rocky Mount tourney last Friday afternoon in a consolation game between the teams that were beaten in the semi-finals. The Martins went down by a 36-26 count in this game, though it might have been a different story had all the Martin players been able to have been there. The one and only, "Big Leaguer" Beard, and ever dependable Fenner Wallace were left behind due to business obligations.

However, this game should find the clubs more evenly matched in strength since all the Martins will be in the fold. They are gunning for a win over the Red Birds, as two defeats by the same club are too much. So, for some fast and furious action, don't miss this battle.

Openings For Young Men In The C.M.T.C.

Five openings in the Citizens Military Training Camps association were announced for young men in this county this week by J. C. Manning, chairman of the procurement activities in this county. Applications will be received at any time for the camp opening at Fort Bragg on June 12. Almost a dozen boys attended the camp from this county last year.

The mission of these training camps is to bring together under healthful surroundings, on a common basis of equality, young men from all walks of life; and, by supervised athletics, military drill, and instruction in citizenship to develop them mentally, morally and physically; promote wholesome respect for American ideals, teach the value of teamwork, fit them for leadership, and impress upon them the obligations and responsibilities of true American citizenship.

Young men attending these camps are no more likely to be called to the colors in time of war than other men. Through the training received at these camps they become more able to defend their country in a national emergency, if they should volunteer or be selected for service.

A candidate must be an American citizen, physically qualified and of good character. He must have reached his seventeenth birthday by the day camp opens, and not have passed his twenty-ninth birthday.

A physical examination, inoculation against typhoid, and vaccination against smallpox since January 1, 1937, and a certificate of good moral character are required.

Prospective applicants may write direct to the C. M. T. C. Officer at Fort Bragg, N. C., for any information they desire, or apply to the County Chairman of the Military Training Camps Association. The county chairman will furnish application blanks and the names of doctors who will give the medical examination without charge.

There are five vacancies for enrollment in the Citizens Military Training Camp for Martin County.

Martins Win Awards In Tournament Play

Even though the Martins played in hard luck all through the recent Gold Medal Tournament at Rocky Mount, and were beaten twice, they were able to land two of their players on the All-Tournament team, when the officials placed Fenner Wallace at one of the forward positions and Pap Diem at guard.

Oscar Anderson, received the sportsmanship award for the best display of sportsmanship of any player in the tourney, out of a possible 64 players in the men's division. Pap Diem was again honored when he was chosen the third best all-around player in the tournament. In the three games the locals participated in during the three-day event, Diem made exactly 10 points per game, and featured a floor.

Hit-Run Driving Is A Serious Offense

Calling attention to the seriousness of hit-and-run driving, Ronald Houtcutt, director of the Highway Safety Division, asserted recently that he has authority to suspend a driver's license in hit-and-run cases involving property damage only.

"The driver who damages another motorist's fender and tries to get away without reporting the accident is a potentially dangerous driver, so we are making suspensions in hit-and-run cases involving property damage only. Revocation is mandatory, of course, upon conviction in hit-and-run cases involving a fatality or personal injury.

"Drivers must be made to realize the importance of stopping after striking another vehicle, a bicyclist, or a pedestrian. This is a serious offense, and the Highway Safety Division wants to do everything within its power to put an end to it."

ADMINISTRATOR'S NOTICE
Having this day qualified as administrator of the estate of Nora Rogerson, deceased, this is to notify all persons having claims against said estate to present same to the undersigned within twelve (12) months from the date of this notice, or this notice will be pleaded in bar of their recovery. All persons indebted to said estate will please make immediate payment.

This the 9th day of March, 1940.
WIXIE ROGERSON and
JESSE D. ROGERSON,
Administrators of the estate

Dixie Parker Leaving Green Pond March 28

ADDS ANOTHER

Irving Rosner, Hartford, Conn. product, has been added to the Coastal Plain umpiring staff, boosting the number of arbiters to eight. League President R. H. Goodmon is looking for a ninth one, reports stating that he is considering two applications. Names of umpires now under contract are as follows: Lou Kearney, Tom Hannz, Jim Stroner, Harry King, R. G. Vickers, Joe Cibulka, and Baxter Moose.

Regular Training Period Will Not Open Until April 8

More Than Two Dozen Men Now Covered By Martin Contracts

"Laying-by" his catted crop on or about the 27th of this month, Dixie Parker, skipper of the Martins, will leave his home down in Green Pond, (Ala.) on March 28 to report for duty on or about the following day, President J. Eason Lilley said yesterday. "We plan to open the training season for six pitchers and possibly a seventh one on April 3, but the main training season will not get underway until the following Monday, April 8," Mr. Lilley explained.

More than two dozen men are now under contract, Skipper Parker signing a dozen and a half and Mr. Lilley signing another half dozen or so subject to joint decisions to be reached after the manager places foot on the local grounds.

The old diamond veteran isn't saying much and bragging less, but the grapevine reports state that he is digging up material here and everywhere, including a few from neighboring territories. Promising to release a little advance "dope" on his pitchers, the new manager is remaining quiet a few days longer. He figures he has something to show for the infield and he isn't worrying a great deal about the pasture for it is quite evident that since he is a rancher he is at home in the pastures.

As far as it could be learned today, Harry Swain, the old war horse of the mound last season, hasn't agreed to sign up for another season. "We have offered him everything possible to get him back and at the same time make it possible for us to stay within the salary limit," Mr. Lilley points out. Just now there is little hope of seeing "Red" in a uniform for the Martins this coming season.

But the game will go on, and President Lilley is already booking a few exhibition games as an eye-opener to the regular playing season which gets underway in just a little over six weeks. Two pre-season games were booked last week with Sunbury, N. Y., a Class D club training in these parts during the spring season.

Shaw Urges Farmers To Buy Quality Seed

The cheapest seed to buy is the best that can be found, advises Dr. Luther Shaw, extension plant pathologist at State College.

Likewise, he pointed out, the safest seed to buy, from the standpoint of freedom from seed-borne diseases, is certified seed. Adding everything together, this means that farmers are advised to purchase their planting stock from the most reliable sources available.

The treating of seed for the control of certain plant diseases has been found to be one of the most profitable measures a farmer can use, the State College specialist said.

An outstanding example of this is the treating of cotton seed with 2 per cent ethyl mercury chloride dust. In farm demonstrations conducted over a period of four years in North Carolina, the average profit from this practice was \$9.82 an acre. Yet the cost of treatment averaged only 15 cents an acre.

Similar profits from treating seed of various field and horticultural crops, such as sweet potatoes, cabbages, and small grains, are being realized yearly by those farmers taking advantage of the treatment. Other growers could make extra returns just as easily.

Another step in combatting diseases of field and horticultural crops is purchasing seed that are free or as nearly free as possible of disease-producing organisms.

A definite movement has been underway in North Carolina toward the production of disease-free seed of agricultural crops for the past several years. Largely aiding in this work has been the North Carolina Crop Improvement Association, which sponsors and supervises the production of certified seed.

NOTICE OF RE-SALE

North Carolina, Martin County. In The Superior Court.

County of Martin vs. J. F. Simpson, James Simpson and wife, Mrs. James Simpson, and Mrs. E. P. Hardison.

Under and by virtue of an order of re-sale in the above entitled proceeding made by L. B. Wynne, Clerk of the Superior Court of Martin County, on Monday, the 11th day of March, 1940, the undersigned commissioner will, on Wednesday, the 27th day of March, 1940, at twelve o'clock, noon, in front of the courthouse door in the town of Williamston, North Carolina, offer for sale to the highest bidder for cash the following described real estate, to-wit:

Twenty (20) acres of Walton land lying and being in Jamesville Township, beginning at Will Beacham's tract of land, thence going down Lennie Barber's line to Deep Run Swamp, thence along Deep Run Swamp to Zeb Price's line, thence along Zeb Price's line to Will Beacham's line, thence along Will Beacham's line to the beginning.

This the 11th day of March, 1940.
CHAS. H. MANNING,
Commissioner.
