DR. OLIN T. BRINKLY At the BAPTIST CHURCH Next Week Through Friday Hopefulness and cheerfulness characterize people in the spring more than at any other season of the year. They seem to show more interest in the church and ministers are inspired with increased congregations, especially on Easter Sunday. Not only does our interest in religion have new emphases but every vital interest known to the human family is revived. It is a time for improvement in health of body, mind and soul. During this most fitting season, Dr. O. T. Brinkley is coming to be with us in a series of special services, beginning Sunday morning at 11:00 o'clock. The following is the speaker's program for the week Sunday morning at 11, Memorial Baptist Church Sunday evening at 7:30 p. m., and each evening thereafter through Friday evening, Memorial Baptist Church. Monday morning at 8:40, Williamston Grammar Grade School. Monday morning at 10:40, Williamston high school Tuesday morning at 10:00, Farm Life school. Wednesday morning at 10:00 a. m., Robersonville high school. Thursday morning at 10:00, Bear Grass school. Friday morning at 10:00, Jamesville school. Dr. Brinkley is an unusual man. You will hear him with profitableness and with deep appreciation. We should honor him with good attendance and true worship. I believe if we ask for and work for more vital Christian living in our churches we shall have it. But also if ye shall say unto this mountain, Be thou removed, and be thou cast into the sea; it shall be done. And all things, whatsoever ye shall ask in prayer, believing, ye shall receive. Matt. 21:21, 22. (Prayer includes work, of course.) What better proposition than this does a Christian want? This promise brightens the prospects for our meeting, but the outcome depends on the working faith among us. Everybody is cordially invited to attend the services.
