Make 1,000 Home Loans Last Month

Building and Loan and Federal savings and loan associations of North Carolina made over 1,000 home loans to the amount of \$1,607,-000 during the month of February, it was announced today by Wheeler Martin, of Williamston, president of the North Carolina Building and Loan League, who stated that of this total 256 were for construction of

new homes, amounting to \$498,744. He pointed out that more than 200 people borrowed \$371,000 to purchase homes. Also 166 individuals refinaned their home loans to the value of \$341,000 and the balance of approximately \$396,000 was loaned out for repairs, reconditioning and miscel-taneous purposes. He indicated that the February loan activity of the building and loan and Federal savings and loan associations of the state was on the par with last year

High Spots on Record-Breaking Run

Signs of the times in a motor age-these highway markers tell the story of a Signs of the times in a motor age—these highway markers tell the story of a two-year, 100,000-mile truck test run recently completed by Chevrolet. In Canada, Mexico and every state of the Union, the truck operated on all types of highways and under every concelvable weather hazard, setting a new world mark for sustained and certified automotive operation, under the sanction and official observation of the American Automobile Association. The unit carried a 4,590-pound "payload." An average of 15.1 miles per gallon of fuel was main tained throughout the 100,000 miles, at an average operating speed of 33.07 miles per hour. Oil mileage was correspondingly high—1,072 miles per quart.

Body Of Infant Cremated In Hospital At Durham

The body of Sarah Annette Polk three-days-old daughter of Mr. and Mrs. Morgan Polk, of Plymouth, was cremated in a crematory in a Durham hospital yesterday morning. The child died in Plymouth Wednes-

The cremation was the first han-dled by Courtney undertakers here. Mr. and Mrs. Polk moved from Alabama to this section where Mr. Polk is employed at the plant of the North Carolina Pulp Company in the lower part of this county.

Lists Factors For Successful Farming

The University of Kentucky College of Agriculture made a study of outstandingly good farmers to find out the factors which make for suc-cess in farming. The Progressive Far-mer reports the following summary of the answers:

1. Since control of expenses is eas ier than control of prices, successful farmers peduce costs. They produce the most at the smallest cost. 2. Good farmers also use limestone

and phosphate. 3. They grow winter cover crops

on plowed land. 4. Seed mixed clovers and grasses

5 Grow enough vegetables, meat, milk, and eggs for home use. Keep 40 per cent of tillable land, other than bottom land, in pasture.

 Purchase only concentrated feed that can't be produced on the farm. 8. Keep enough cattle and sheep to use all hay and pasture, and enough hogs to eat all the corn not needed for other stock.

9. Do or supervise all labor them

10. Do work on time.

11. Have fencing and stock water adequate for all fields to be pastured at the right time.

12. Successful tobacco growers give special attention to curing.

13. Dairy farmers who succeed, cull, select, and feed for high pro-

14. Those who raise sheep provide small grain pasture, house and care for their flocks.

15. Hog raisers follow sanitary methods in feeding and farrowing. save most pigs, and push the through to early market condition.

Each reader might like to ask him-elf this question: check up and fill in his answer: "Of these 15 approved practices of successful farmers, the shortly before one o'clock, the ther-number 1 practice on my farm is mometer stood at an unofficial 67.

Tarboro Rotary Club To Hold Regular Orthopaedic Clinic

The Tarboro Rotary Club will hold its regular orthopaedic clinic on Monday, March 25, 1940, at 9 a. m. at the Presbyterian Church Sunday School Rooms, Tarboro, North Caro-

The Rotary Club is anxious to render service to all cripples, regard-less of age or race, who are unable to pay for treatment. We will thank you for your cooperation in finding these cases and directing them to

Victims of Paris Air Raid

Mile. Queuille and M. Brilleteau, first Parisians to be wounded in the French capital during the current war, examine the window through which missiles entered his restaurant. The wounds were inflicted by fragments of French anti-aircraft shells fired at German planes. The Nazis dropped no bombs. Seven persons were hurt.

Varied Weather Had Freezes Kill Half of Early First Day Of Spring

Spring officially arrived here on Wednesday afternoon at 1:24. It was one day ahead of time this year be-cause of leap year.

The new season was ushered in with rain, hail, thunder, lightning, sunshine and interspersed with a heavy shower every now and then. Skies cleared as the day grew on and

Regardless, spring is officially here and with the unanimous hope that

it is here to stay.

The freak happenings in the weather on the first day of spring gave hope to this Sunday's Easter paraders, who likely are looking forward to blue skies and plenty of sunshine when they make their spring debut in new garments.

More Permanent Pastures Will Be Seeded In Martin

More permanent pastures will be seeded this spring in Martin County than in the past several years, as in-Private (pay) patients are requested not to come before 1 p. m. terest has been increasing steadily, says Assistant Farm Agent John Eagle.

Cabbage Plants In Dare

Severe freezes killed up to 50 per cent of the early cabbage plants in Dare County, reports C. W. Overman, farm agent of the State College Extension Service.

One fundred sixty miles of the Control of the County have been energized, and farm families served by the line are enthusiastic over the service.

4-H Council Holds Meet Last Saturday

"This was the best 4-H Council meeting held since I've been in the county," stated John Eagles, assistant County farm agent, comment-ing on the meeting held last Satur-day, in the agricultural building in Williamston.

With eight of the eleven clubs sending representatives, there was a total of 25 boys and girls present and five interested parents.

With Miss Vera Pearl Williams in charge, the business meeting was held. The next meeting will be held on the third Saturday in May with the Jamesville club as host. On May 12. 4-H club members will have charge of a church program, the
