TRAINING CAMP

The fan attendance upon the Martins' training camp is increasing steadily day by day, and it is possible that President J. Eason Lilly could be collecting a few nickels if he were to establish the ticket sellers and gate keepers in their places. But he'll do nothing of the kind, not even at a scheduled intersquad contest Sunday afternoon at 3 o'clock. Manager Parker is inviting the fans to look the boys over at any time, for he might be calling upon them to help him make a decision.

In the fan group yesterday was the old faithful, Judge J. C. Smith, of Robersonville. Herb Pope was down from the neighboring town also.

Villepique And Earp Leave For Martinsville

Ace Villepique and Howard Earp, popular figures on Williamston's baseball club for a number of years, left today for Martinsville. The two veterans were traded for Leon Thompson, outfielder.

Local fans hated to see the two players leave, but the action was absolutely necessary under the new classification ruling adopted by the league several months ago. Good jobs await the players, one report stating that a salary increase awaits Ace.

Green Wave Nine Wins Thriller

Local High Defeats Edenton In Eleven Inning Battle, 6-5

Garland Wynne Hurls Third Straight Victory For Williamston

The Green Wave nine won its third victory of the season yesterday when they defeated the strong Edenton High, 6-5, in a contest that went 11 frames. Garland Wynne, who had previously pitched scoreless victories over Hobgood and Robersonville, endured the grind for all eleven innings to give his team its third victory of the current season without a loss. JoJo Thigpen stepped out in front with the scoring honors, having four of the locals' total of 14.

The Green Wave opened the scoring in the first inning when Thigpen, who singled, was scored by a double by H. Wynne. The locals held the one run margin until the fifth inning when Edenton went into the lead with 3 runs to their credit. In the sixth the Green Wave tallied one score, and then tied up the ball game in the last of the seventh 3-all.

Edenton made the outcome of the long contest look gloomy for the locals in the tenth when they opened up to score two runs. But the Greensies came back fighting in their half of the tenth to tie the score at 5-all.

In the last of the eleventh inning, S. C. Griffin opened with a single and was advanced to second by G. Wynne's sacrifice bunt. Cullipher was given a free ride to first when he was hit by a pitched ball. J. Thigpen singled to right field but Griffin was tagged out at home leaving Cullipher on third and Thigpen on second and two out. Boykin broke up the ball game at this point with a clean single to center field that scored Cullipher and the winning run.

Famous T-Bone Crash

Pictured above is Captain Bonnie Walker making his famous T-Bone crash into the side of a blazing automobile. This will be one of the featured stunts of Suicide Hayes and his Hell Drivers in their performance here Sunday afternoon beginning at 3 o'clock. The American Legion is sponsoring this great event.

Suicide Hayes Will Bring Troupe Here Sunday Afternoon

Sunday will be more than just another show day for "Suicide" Hayes, the devil-may-care Hell Driver from Georgia, because at the Williamston fairgrounds Sunday afternoon he will try out two stunts which if successful, will be used in his shows this season.

As "Suicide" puts it, a successful stunt is one that he can come out of without a broken neck, and although he has been successful ever since he left a Georgia farm-to-leave-up-stunt driving he keeps stretching the point. Featuring his show will be a jump over sixteen automobiles, an attempt to better his own record of fourteen, and the head on collision, climaxed with his sensational roll over.

Sol Kaufman, business manager of the troupe, declares that the troupe has polished up its program since last season and is working out stunts for Sunday which will be used at fairs as far north as St. Stephen, N. B.

The world's champion and his Hell Driving troupe gave a daring performance in Williamston last year and packing 'em in and a capacity crowd is expected at the show Sunday afternoon. Other stunts are as follows:

Big Slim Carter, 24-year-old daredevil from Roanoke, Va., will place a board over his stomach and lie on his back while Hayes drives a 3-ton truck over him at high speed. The youthful stunt man has tried this stunt only twice and has been injured previously.

That was last season in Greensboro and since he has had the whole winter to recuperate he will go on with the stunt Sunday. He was injured because the track was muddy and the truck slipped, the back wheel running over his long legs instead of the board.

Big Slim will also do the slide off the back of a speeding automobile onto the track, using no protection whatsoever in accomplishing this hazardous feat, but to make the stunt more spectacular, a gasoline strip on the track will be ignited and he will slide into the flames.

In jumping through two board walls, Hayes will place one at the end of the ramps and the second ten feet farther, so that his car will be almost completely enveloped in flames.

The daredevil set his 14-car jump at the track last year coming out with nothing worse than a bad shaking up and a demolished automobile which he had to sell to junk, although it was badly delapidated before he started.

Hubbell Buys Car From Local Firm

Carl Hubbell, a prominent figure in the baseball world, came to Williamston last Wednesday morning and bought a new Oldsmobile from Chas. H. Jenkins and Company. Hubbell, an unusually friendly fellow, was here only a short time. Returning to Tarboro to pitch for the Giants in an exhibition game against Cleveland, Hubbell was followed by approximately 200 local baseball fans.

The pitcher's car was wrecked near here on the Washington Road week before last by Bill Terry's secretary. It was first thought that Hubbell and several of his friends were in the car, but it was soon learned that the secretary was traveling alone and was not badly hurt. The new Buick was wrecked beyond repair.

Exhibition Contest To Offer Preview Of The New Martins

Inter-squad Game Starting At 3 o'Clock Will Be a Free Affair

The Parkers, headed by the old man from Alabama in person, and the Reds, headed by one Red Swain, will play an inter-squad game on the local diamond Sunday afternoon at 3 o'clock, the battle to give followers of the horsehide sport their first real preview of the new Martins. And it's all free, the management advises.

Manager Parker, while all the other boys are playing, will do some hard work on the sidelines in connection with permanent player selections, for he is expected to make up his mind about the releasing business that is slated to come in the near future.

While the players are certain to offer an interesting exhibition they are not to be expected to show anything like mid-season form, and fans will do well to go light on the comment. The event is to take place in an official contest in that regular league umpires are scheduled to work behind the bat and near the bases during the contest.

Leon Thompson, who was added to the spring training roster today as a result of a swap, is booked for action Sunday with the Parkers. It is possible that Bobby Peters, recently annexed from the Yankees, will participate in the game. Both are slated to arrive here today.

The line-up, released by Dixie and Red today, follows:

Pos	Parkers	Reds
1b	Rock	Wallace
2b	Mundo	Vauker
3b	Kozak	Ackerman
ss	Stotler	Jones
lf	Brown	Garvin
cf	Keller	Wilmer
rf	Thompson	Pert
c	Allbritton	Skarda
p	Miller	Swain
p	Morris	Buchman
p	Bomer	Odorizzi

Next Tuesday afternoon at three o'clock the Martins will meet the strong Reading (Class B) team here.

Local Bowling Team In Win Over Bethel Here

Williamston's bowling team won over the Bethel team here Wednesday night by 69 pins. The visiting team was composed of Griffith, Carson, Bullock, Hooker and Shure.

The local players were Llewellyn, Weston, Evans, Critcher and Rogerson. Tuesday night a return match will be played in Bethel at 8 o'clock.

Williamston Roster Nears Completion

"The entire personnel of the Williamston Martins is in camp here with the exception of Leon Thompson, outfielder, and Bobby Peters, shortstop, who are expected here some time today," Manager Dixie Parker stated this morning.

Parker obtained the services of Thompson in a trade with the Martinsville club of the Bi-State league, for Ace Villepique and Howard Earp. Thompson played with Statesville in the North State League last year, where he hit a tremendous .331, and was credited as being a better than average fielder. He stands around six feet and weighs 190 pounds. This is his second year in organized baseball.

Shortstop Bobby Peters spent the spring training season down in Florida with the New York Yankees, and was viewed as a great prospect, with an opportunity to play in a Class C League this season, but for some reason decided to sign with the Martins.

An agreement is pending for adding another star to the list, but no definite decision has been reached.
