"Bertie" Miller Puts Martins in Win Column; Swain Chalks Up His First Win Of The Season

Defeat Greenville By Score Of 12-1; Show Power At Bat

Ted Miller, Perrytown Hurler, Allows Seven Hits, 1 Run, Fans Nine

The Williamston Martins "went to town" in a big way Wednesday afternoon in chalking up their first victory of the season. The victim, Greenville's Greenies, and the score, 12 to 1.

Showing their best hitting power the Martins obtained 17 safeties off Hurler Teller, including four doubles and a home run. Every local player hit safely at least one time.

Big Ted Miller, the promising rookie from Bertie County, was the complete master of the situation from the start, although he showed spurts of wildness, walking six batters. Miller fanned 9 men and allowed only seven hits which counted for a lone run.

At bat for Williamston, Newman, third baseman, was the star, with a home run, a double and two singles for five trips to the plate. "Hard" Rock followed close behind with two doubles and a single for five tries. Catcher Albritton, Miller and Thompson each hits safely twice.

Ole Man Swain Starts First Rally With Home Run In The Seventh

Although Ole Man Red Swain's hurling was not up to par in yesterday's game, his stickwork played a big part in the Martins' second victory of the current season. The contest with Greenville, which Williamston won 12-7, was marked by the 29 hits, eight of which were for extra bases.

The Greenies started off the scoring with a run in the third, two in the fourth and then Harry Jenkins homered with a mate on in the seventh to run the count up to 5-0 in their favor.

And yesterday, the "lucky seventh" was just that as Stotler went to first on an error and Pitcher Swain hit for four bases to start the ball rolling. When the side was retired, the Martins had six runs, made from four hits, three errors and a walk.

Greenville tied the count in their half of the eighth, but once more the batting power of the locals took a hand in the affair and six hits, two stolen bases, a sacrifice and an error netted them six more scores to clinch the ball game. The Greenies scored once in the ninth.

Claude Grimm, the Martins' versatile secondbaseman, featured at the plate, collecting a triple, a double and two singles. Thompson and Keller were next with three for five, while Swain followed with a home run and single for four attempts.

For Greenville, Swamp Norwood was best at the plate with three for four, Jenkins and Watson being next with three for five.

Red Swain, who walked five and fanned four, went the route for the locals, while Manager Wilson used three pitchers against the Martins.

Locals to Play Tarboro Here Monday Afternoon and Night

Postponed when the opening game on their home grounds was rained out a week ago, the Martins will hold the formal opening exercises next Monday afternoon when Tarboro comes here for a double bill. Although delayed, the exercises will be packed with vim and vigor, the Robersonville High School band having willingly agreed to return for the occasion and add to the entertainment program. The schedule for Monday calls for a game that afternoon and one that evening, the second game to usher in night ball for the Martins on their home grounds.

No lengthy program is planned, but President J. Eason Lilly is of the opinion that brief exercises should be held even though a bit delayed. The band, coming here through the courtesy of Professor Aiken, Mr. N. C. Everett and other Robersonville citizens, will form a parade at the Central Filling Station that afternoon at 3 o'clock, march to the field where Old Glory will be raised in deep center. A brief concert will follow the flag raising, and the afternoon game is slated to get underway promptly at 8 o'clock, and increased attendance upon both games is expected.

Where The Umps Will Be Next Week

According to an announcement from President Ray Goodmon of this morning, the Coastal Plain League umpires will be stationed at the following towns during the week of May 5-12:

Hanna and Rosner will follow Greenville; Kearney and Vickers, Goldsboro; King and Stroner, Kinston; and Cibulka and Jolliff, will officiate in the Tarboro games.

The "blind toms" in the league this season, according to the fans, are still making mistakes, but not as many as those of the past years.

Mills Speeding Up Cotton Production

Rome, Ga. — Anticipating greatly increased demands for cotton goods during 1940, manufacturers have speeded up and expanded operations during the months just past, the National Cotton Council said today.

The 22,872,414 active spindles in the country operated at 102.6 per cent of capacity in January, as compared with 100.7 per cent in December and 87.5 per cent in January a year ago.

For the three months' period ending January 31, monthly operations in cotton spinning averaged 101.5 per cent of capacity, as compared with 91.8 per cent in the preceding quarter. Average monthly rate was 96.6 per cent for the first half of the current cotton season, with 102.6 per cent in January as the high point and 85.1 per cent in August as the low.
