### Tobs Break Martins' Winning Streak At Five Games Thursday Night

The Williamston Martins were temporarily halted last night in their drive for the first division of the Coastal Plain League by Wilson. Tobs who scored a 4-3 victory which went ten innings, but Manager Red Swain expressed hopes that his protégés would resume their course here this evening when the Martins will meet the Wilson Tobs in a double bill. The first game will get underway promptly at 7:30 o'clock, with Little Eddie Bartnick slated to pitch one of the games, and M. Thompson or X. Brown the other.

On Sunday afternoon at the local park the Martins will entertain Tarboro's Cubs, the contest to get underway at three o'clock. With the loop's two top teams playing three games here this week with the up-and-coming Martins, large crowds are expected to turn out for the games.

Uddie Levin started on the mound for Williamston and hurled 5-2-3 frames, but at that time was relieved by Red Swain. Levin was touched for four hits during his stay, fanning one and walking four. The red-headed Swain gave up four hits during

## Williamston Wins As Greenville Becomes Erratic In The Ninth

### Visitors Hit Three Home Runs As Ted Miller Fans Nine; Score 6-5

Williamston continues its upward trend by taking the second successive series, this time the victim is Greenville. The Martins counted two runs in the ninth inning over the visitors here Wednesday night to give them a 6-5 decision.

Ted Miller went the route for the locals, allowing seven hits, three of which were home runs. Miller struck out nine batters and walked seven.

Greenville's first two runs came in the sixth inning when Rube Wilson homered after Kracke had walked. Jenkins homered over the scoreboard in the eighth with none on. In the ninth Pinch-hitter Fred Caligiuri hit for the circuit after Walters had singled.

The Martins counted a run in the third on Miller's single, Beard's sacrifice and a base hit by Newman. Three runs were added in the seventh on three singles, a stolen base, and Leon Thompson's double.

Going into the ninth one run behind, the Martins took advantage of the erratic fielding of Greenville to count two runs without a hit, the visitors making three costly errors.

Newman, Rock and L. Thompson, with two hits apiece, led the locals at bat.

## Irrigation Farmers Owe Debt to Cotton

Boise, Idaho. Annual savings mounting into hundreds of thousands of dollars can be brought to farmers of irrigated lands in the West as a result of a series of experiments with cotton linings for irrigation ditches conducted recently.

The National Cotton Council was advised recently that during a six months' test period a mile stretch of bituminous lined canal reinforced with cotton fabric saved \$2,880 worth of water which would have been lost in a similar stretch of unlined canal.

Since the cost of the cotton reinforced bituminous canal is approximately \$5,000 per mile, the initial investment would pay for itself within two six months irrigation.

## Martins Continue 'Winning Ways' To Take Twin Bill From Greenies

### Manager-Hurler Swain Takes To the Mound in Both Contests

Williamston's Martins continued their climb in the Coastal Plain League standings last Tuesday evening in Greenville as they took both ends of a double bill. The score of the first game was 4-1, the second 6-2.

With Manager-Hurler Swain hurling the first game and seeing action in the second when he relieved X. Brown in the fourth, the locals were always in front, and Manager Rube Wilson's gang never threatened.

In pitching the first affair, Swain gave up seven hits, while fanning 8, and walking one. Caligiuri, Greenville moundsman, also gave a fine exhibition, but was touched for three runs in the fourth when the Martins grouped four singles, an outfield fly and a sacrifice.

Leon Thompson was the batting star in the first game with three base knocks. Rock followed with a pair.

The second game, a seven-inning contest, found Williamston's new pitcher, X. Brown, on the mound. During his stay of four and 1-3 innings he was touched for only one hit and walked four. Red Swain relieved Brown and kept the Greenies well under control.

At bat in this game, Brice McCay was best with three hits for four attempts, while Keller, Slakis and Albritton followed, each hitting two for four. Slakis hit for the circuit.

## Concrete Roads Can Take It

Once more newspaper headlines like these, following the recent heavy freeze, broke the bad news to motorists.

But there's another side to the story. Concrete resisted the damaging effects of heavy rains and severe cold—saved millions of dollars for motorists.

Concrete has the "bridging strength" needed to keep pavements from breaking up when the supporting soil is weakened by frost and soaking rains.

Because of this simple engineering fact, your concrete roads remain safe and efficient in all weather—need no "load limit" or "detour" signs—are kept in prime condition without expensive maintenance.

Concrete is a true "low-cost road" over a period of years.

## Following The League Umpires

### Beaufort Farmers Study Harvesting Of Potatoes

Beaufort County farmers are making an active study of means of harvesting potatoes with the smallest amount of damage in the handling process, says Assistant Farm Agent A. L. Eagles.

Ninety-nine per cent of the fatal accidents in North Carolina last year occurred on roads in good condition.

President Goodmon continues well pleased with the action of his staff of umpires and although several have been given the razz, he feels that it is the best group ever to work in the Coastal loop.

### Ray Goodmon, prexy of the Coastal Plain League, announces where the league arbiters will be from tomorrow through Wednesday, May 29th:

Tom Hanna, Rosner and Moose at Greenville;  
Kearney and Vickers will follow New Bern;  
King and Stroner will be with Tarboro;  
Cibulka and Joliff will follow Snow Hill.  
Tom Hanna's bad knee is showing very little improvement although he called a game behind the plate this week to relieve the overworked Rosner. Moose worked with Umpire Vickers several days while Kearney was away, due to illness of relatives.
