For the first few days after the Primary of May 25th, I counseled with my friends and supporters and they advised me to run in the second primary. I told them that I would, provided the candidate for governor had a run-off.

From the papers I read that Mr. Horton was calling for a second primary, and thinking that there would be one, I filed my intentions with the Chairman of Elections and made other preparations.

Then on Monday afternoon I learned that Mr. Horton had withdrawn. Having the best interests of Martin County in mind, and not wishing to put the County to the trouble and expense of having a second primary for myself, I hereby withdraw my candidacy for the Treasurer of Martin County.

To my friends and voters, I wish to thank them for their support, and I am deeply grateful for their assistance towards my campaign.

Yours very truly,

BEN COURTNEY
