America's Symbol of Liberty and Guarantee of Democratic Government

The common denominator of the American people is our liberty as symbolized by the Stars and Stripes and guaranteed by the Declaration of Independence. Our forefathers founded a great nation on the principles of liberty and the mutual devotion to democratic ideals. In this spirit, we, whose names appear below, pledge our efforts to uphold these ideals and encourage our friends and the citizens of Martin County to preserve the heritage of our forefathers and to keep aloft the Torch of Liberty in these troublesome times that we may have everlasting peace and enjoy stable prosperity
