

Opposition To The New Deal Dares To Work Against Party

(Continued from page one)

anti-third term Democrats left scant room for doubt that he would take steps to meet opposition blows with counter-punches of his own.

He could have exercised his skill in blocking questions with political implications at his first press conference since he said "yes" to the demand of the Democratic convention that he run for a third term.

Instead, led on by the inquiries, he swung verbally on Senator Edward R. Burke, former Senator James A. Reed, of Missouri, and two erstwhile administration officials, Lewis W. Douglas and John W. Hanes. All of them have offered their support to Willkie.

The word "bolt" he said, did not describe accurately the action of Burke, who yielded the Democratic Senatorial nomination to Governor R. L. Cochrane in the Nebraska primary.

Mr. Roosevelt said he understood the Democratic party had bolted Burke. Describing Douglas and Hanes as honorable and amiable young men, the President said he thought the consensus of opinion in the government was that their slant of mind ran more to dollars than to humanity.

Reed came in for a share of Presidential attention when a reporter asserted that the former legislator had called on "Grass Root Jeffersonian Democrats" to assemble in Chicago.

The Missourian did about the same thing in 1932 and 1936 and perhaps in 1928, Mr. Roosevelt said, and consequently was well qualified by experience.

News Of Interest In Sweet Home Church

The Young People's class of Sweet Home Christian Church have on a drive to increase the number on roll. It is one of the county's largest Sunday school classes. Nat Cherry and J. D. Taylor are teachers.

The church grounds are being worked this week. Announcement of a ten day revival will be made at the next quarterly meeting.

At a short business session, presided over by Luther Britton and J. D. Taylor Sunday, Rev. Preston Clayton was elected pastor of the church for the remaining church year—succeeding William Marlin, who has moved to Atlanta.

Christian Endeavor was organized Sunday evening and the following officers elected: Marie Harrison, president; Viola Harrison, vice president; Sam Williams, secretary; Lucy Knox, assistant; Delia Harrison, treasurer; and Nina Lee Britton, assistant. J. D. Taylor presented the temporary officers and Rev. Clayton charged the permanent ones "on their duties."

The Sweet Home Sunday School is planning on placing a truck in operation next month to bring the people who live some distance away. Herbert Williams is superintendent.

Charges Are Filed Against Number Of Tobacco Companies

attempt to try any legal issues in newspapers or elsewhere than in court, but we take this opportunity to say that our chief interest in the proceeding reported as started by Mr. Thurman Arnold, at Lexington, Ky., is that it be handled as expeditiously as possible in order that our friends and citizens generally may know as promptly as possible that R. J. Reynolds Tobacco Company and the officers and directors named as individual defendants are entirely clear of the charges.

Nevertheless, there was no particular surprise to us in the announcement made by Mr. Arnold. He and members of his staff have

been carrying on investigations of various phases of the tobacco industry for approaching two years, and the proceeding just started is presumably only another instance of the pursuit of the policy under which, since he has held the office of assistant attorney general of the United States, he has started proceedings against many hundreds of other business concerns and individuals throughout the country."

John Thomas Bland Passes At His Home Near Robersonville

Funeral Services Are Held At His Late Home This Afternoon

Robersonville, N. C., July 24.—John Thomas Bland, son of Reuben Bland, died at his home near here Tuesday morning, July 23, at 6:30 o'clock.

Mr. Bland was 59 years old and although he had been in ill health for several months, his sudden demise came as a shock and surprise to his many friends and relatives throughout the county and section.

Last Easter Sunday morning he suffered a stroke of paralysis and since then had been incapacitated and practically an invalid.

Funeral services were held at the home this afternoon at 3 o'clock with Rev. E. C. Shoo, his pastor, conducting the last rites. Interment was made in the family burying plot on the Jesse Ruebuck farm.

Although Mr. Bland was born and raised in humble circumstances and was not fortunate enough to have been educated, he was considered a good citizen and was highly respected by his friends and neighbors. He was honest and reliable and his passing will be felt by the community in which he lived for more than a half-century.

He is survived by his widow, Mattie Spruill Bland, and 13 children: Mrs. V. A. Jones, Mrs. George Roberson and Mrs. Hazel Bullock, of Robersonville; Mrs. Arthur Whitehurst, of Greenville; Mrs. Cleve Hailship, of Bethel, and Mrs. Bill Sawyer, of Enfield; Misses Jesse Florence Bland and Elsie Louise Bland, of Robersonville; Danford and Linwood Bland, of Stokes; John D. Bland and Hubert Bland, U. S. Army and stationed in New York, and J. T. Bland, Jr., of Robersonville.

He is also survived by fourteen grandchildren and was one of 34 children. He is survived by fifteen living brothers and sisters who are: Will Bland, Robersonville; George Washington Bland, Robersonville; Simon Bland, Bethel; Rubin Bland, Robersonville; Jodie Bland, New Bern; Pennel Bland, Dardens; Jesse Bland, Winston-Salem; Albert Bland, Norfolk; Woodrow Bland, New Bern; Wiley Bland, Bethel; Mrs. Bettie Briley, Bethel; Mrs. Ida Bunting, Bethel; Mrs. Elena Bland, Bethel; and Mrs. Christie White, Halifax.

Late Tuesday afternoon a combination stable and packhouse, belonging to Mrs. Orphie Dale, of near Leens, in Pitt County, was destroyed by a wind storm. In the compact one mule was killed and another seriously injured.

In addition to the loss of the mule, the damage to the barn was estimated at about \$500. No windstorm insurance was carried by Mrs. Dale.

Government Calls Radio Operators

In the Government's preparedness program, steps are being taken to coordinate all the physical and natural resources of the nation in addition to conscripting the country's manpower as a protective measure.

This first evidence of the materialization of this vast program was realized this week when Gilbert Smith, Elever Roberson, John Ray Edmondson and Simon Brown Woodard, local amateur radio operators, were registered by Sergeant Jackson, representing the U. S. Government.

They were fingerprinted, required to supply the government with either an affidavit or birth certificate, and the bad feature about the whole thing, according to Gilbert Smith, "you had to give them a picture of yourself."

Warns The United States To Accept His Trade Terms

(Continued from page one)

ish centers and shipping was done, according to Nazi claims. Japan came to the front again this morning when she warned America against shutting off shipments of scrap iron which she has been using in large quantities in the drive against poor old China. The Japanese had the audacity to tell this country that if scrap iron shipments are stopped, Japan would see that tin and rubber shipments from the Dutch Indies would be discontinued.

Down in Havana where representatives of 21 nations in the Western World are trying to advance some plan for mutual protection against actual warfare and economic domination, no iron-clad policies have been formulated and none is likely. That the conference will create a better understanding among the nations is to be expected, but when the group adjourns next Tuesday the problem will not be solved in its entirety.

MODERNIZE YOUR MECHANIZED EQUIPMENT WITH CHEVROLET TRUCKS

at today's low prices!

YOU KNOW THE LEADER IN TRUCK SALES MUST BE THE LEADER IN TRUCK VALUE

Truck buyers are careful buyers—they thoroughly analyze and compare all types of trucking equipment—they want to make certain that they'll get the make and type of truck best suited to their business requirements.

It is a significant fact that more truck users choose Chevrolet than any other make of truck... because Chevrolet trucks could not have established their record of leadership in 1940 and maintained it for six out of the last eight years had it not been that Chevrolet trucks deliver more dollar-for-dollar value than any other make.

All models and types of Chevrolet trucks may still be purchased at today's low price levels, so it would be wise to consider replacing some of your trucking equipment with new Chevrolets now.

TRUCK OWNERS WANT FACTS...CHEVROLET GIVES Certified Proof!

On the longest test run ever conducted under the supervision of the American Automobile Association, a stock Chevrolet 1 1/2-ton truck turned in a marvelous performance and economy record. The facts of this test run are clearly outlined in an interesting booklet entitled "Says Who?" You may obtain this booklet from your Chevrolet dealer or by writing to Chevrolet Motor Division, General Motors Sales Corporation, General Motors Bldg., Detroit, Michigan.
