# Use the Telephone

Lift the telephone and the whole world awaits your voice. You can cross continents—talk to ships at sea—or order a pork chop from your corner grocer. You can visit with your friends, send telegrams and flowers—or you can tell the people upstairs to turn off their radio or keep quiet. This convenience costs but a few cents a day and you have the world at your finger tips when you have a telephone.

---

## The Williamston Tobacco Market

Needs and deserves your patronage and support. We gladly join the business firms of this town in welcoming you to Williamston. Support your local market and give it the due consideration that it deserves.
