Praises Work Of Legion In State

Raleigh—Governor Clyde R. Hoey this week expressed his appreciation "of the work and activity of the American Legion in North Carolina in this period of crisis."

"I wish to urge every World War veteran in the State to join the American Legion, and to become a part of your great organization," the chief executive wrote in a letter to Department Commander R. Dave Hall, of Belmont, and department membership Chairman Henry L. Ingram, of Asheboro.

"I call special attention of all State employees who are World War veterans to the fine opportunity to join some post of the American Legion in this State and thus identify themselves with this strong and virile body of Americans."

"I congratulate both of you upon the progress which you are making in increasing your membership and solidifying your organization, and preparing it for continued patriotic and unselfish service in the promotion of the ideals of our republic and the perpetuation of the principles of genuine Americanism."

Jobs For 512,000 Workers Provided By USHA Program

With the completion of more than 500 projects in the current slum clearance and national defense housing program of the United States Housing Authority, about 512,000 building trades jobs will have been provided on sites in around 230 localities. Wages will total approximately \$225,000,000 and about 280,000,000 will be expended for construction materials. Approximately 180,000 low-rent homes for low-income families will be provided.

Low-Cost Lighting Fixtures Tested By USHA Engineers

Fixtures designed to give efficient lighting in rooms of the dimensions used in low-rent housing projects are being developed by engineers of the United States Housing Authority in cooperation with representatives of the American Lighting Equipment Association. Sample fixtures have been submitted by the Association to USHA engineers for testing. It is planned to have the fixtures low in initial cost, of sturdy construction and with indestructible finish.

MR. RIPLEY, PLEASE NOTE

Worthy of the notice of "Believe It Or Not" or other records of unusual facts is the fact that the South's cotton crop is a major aid to the production of such other fibers as wool and mohair. Throughout the sheep and goat raising areas, cottonseed cake and meal supply essential protein for the economical production of wool and mohair.
