### North Carolina Engages Texas Christian 'Aerial Frogs' Saturday Afternoon

Texas Christian Had Best Aerial Outfit in Nation Last Season

Dean Bagley, 155-pounder, Is Rated Better Than Baugh Or Davey O'Brien

By TOM BOST, JR.
Chapel Hill — Texas Christian's crack aerial express, the fastest and most proficient passing outfit in the nation last season, is roaring on all cylinders again and ready for another record run when the Horned Frogs meet North Carolina at Chapel Hill Saturday at 2 o'clock. Last season the Express broke all

records in the country for speed and distance. Two hundred and fortyfive passes were attempted and 120, or 49 per cent, were completed for a total of 1485 yards.

And now the 1940 Express appears to be every bit as fast and efficient as the 1939 record breakers. In their two games this season, TCU has connected on 50 per cent of its passes. Last week against Arkansas, the

Frogs, prepping for the Tar Heels, kept their aerial guns well under cover but revealed enough to win easily and coast in. The Christians tossed only nine passes but hit the bulls-eye six times. Three of these completions were converted direct-ly into touchdowns and TCU won,

Leading the aerial siege against the Tar Heels will be Dean Bag-ley, the phenomenal sophomore pitcher, and Jack Odle, Glenn Cow-art, and Kyle Gillespie, who success-fully directed the 1939 passing

Odle and Gillespie are running ahead of the all-time completion percentages of the great Sammy Baugh and Davy O'Brien, TCU aerial magicians of several seasons ago.
Odle and Gillespie have percentage
marks of .538 and .495 respectively,
as compared with .482 for O'Brien

and .458 for Baugh.

But to the 155-pound Bagley goes
the credit for sparking TCU's opening victories over Centenary and Ar-kansas. And while Odle and Gillespie are surpassing the marks of Baugh and O'Brien, it's Bagley whom the TCU supporters are acclaiming to start James "Son" Shelby at quar-as good or better passer than the terback in place of "Bosh" Pritchtwo boys who are leaders in the pro-fessional leagues today.

.Bagley scored one touchdown each against Centenary and Arkansas, but it was his spectacular pass-ing that set up directly or indirectly the majority of the other touch-

### Last Year's Defeat In Minds of Deacs

Clemson's Tigers Offer Larger Array of Star Backfield Candidates

may go down in history and long that 38 contests had been called the remembered by backers of the correct, while 11 were missed, for a rival schools, is scheduled for Clem-son's stadium Saturday afternoon between the Deacons of Wake Forest and the Tigers of Clemson.

Wake Forest is the only major con ference team which is meeting Duke, North Carolina and Clemson this year. These were the three outstanding clubs in the pre-season figuring. The Deacs have already beaten North Carolina and if Clemson should win from Wake this week, the Tigers would be assured of at least a tie for the crown, since it is unlikely they will lose to any other league team.

There are many possibilities hingng upon the outcome of Saturday' with the natural rivalry existing be-tween the two teams adds up to a great ball game

Last fall Clemson won 20-7, and it was mostly Banks McFadden, Shad Bryant and Charlie Timmons in the backfield for the Tigers. Now it's Aubrey Rion, Chippy Maness, Booty Payne, the same Timmons, Dan Cole-man, Georgie Floyd and about a dozen others.

Wake Forest doesn't hope to match Clemson's numbers, but with Cap-tain Jim Ringgold, Tony Gallovich, Jolting John Polanski, J. V. Pruitt, Marshall Edwards and Rey May-berry all ready to go, the Deacons will be popping off some fireworks themselves.

No doubt, it will be a great day for the rival backfield stars, but when those two lines crack heads, this will be something else. Both are big, powerful and headed by veterans, and probably herein is where the difference in the clubs will out,

Clemson's Joe Blalock, All-Southern end, George Fritts and Bill Hall, tackles, and Captain Bob Sharpe are the boys who seem to do the most damage to their opponents. They all started against Wake Forest last year. John Jett, end; Carl Givler and Frank Kapriva, guards, and John Pendergast, center, were in the start-ing line-up for Wake Forest against Clemson in '39 and will all be in there again Saturday. Two soph tackles, Pat Preston and Tony Ru-bino, and Senior Paul Waivers, end, will round out Wake's No. 1 line.
