Self-Feeder Is Best Method Of Feeding Fattening Hogs. The self-feeder is best for feeding fattening hogs. It saves labor and feed, is an ideal way to utilize dry feed, helps keep feed clean and enables each pig to select his own ration. When nursing sows are self-fed, the pigs will learn to eat from the feeder before weaning time. When the sows are taken away, the pigs may be continued on the self-feeder without interruption.

HISTORY OF VERNON CHURCH

This church was organized by Rev. Dr. Jenkins more than fifty years ago in the Old Burroughs school house which stood about 1-2 mile from where the church now stands. The present building was erected under the pastorate of Rev. Joe Nelson fifty years ago and named for Mrs. Nell Vernon Newell, daughter of the late John D. Simpson and sister of Mrs. Erah Cobb, of Williamston. The building was erected and financed mostly through the efforts of Mr. Simpson. The land was given by the late Sylvester Askew.

Under the leadership of the pastor, Daniel C. Boone, of Robersonville, the old building was remodeled at a cost of \$600. A new piano and heating system was installed. This is one of the four building projects completed in the Robersonville charge during the past two years.

Last year the new Stokes church was built at a cost of \$4500. This spring the Hamilton Methodist church was repaired at a cost of over \$400, the Vernon Church at a cost of \$600 and the Parmele Methodist Church has spent \$400 for painting and repairs. There are plans to begin building three Sunday School rooms to the Methodist Church in Robersonville immediately after the conference which convenes in November.

The two-column picture shows the modernized Vernon Methodist Church near here on the old Everetts Road and its members. The one-column picture is that of the old Burroughs school house where leading churchmen organized into a body and later built the church. Following is a brief history of the church as told by the pastor, Rev. Daniel C. Boone.

Interesting Bits of Agricultural News

Up
The 1940-41 world's cotton crop is placed tentatively at 30,500,000 bales as compared with 28,900,000 bales last season, reports the U. S. Department of Agriculture.

Feed
English farmers are being urged to gather acorns, horse chestnuts and beechnuts to eke out the feedstuff supply of farm animals and thereby release tonnage for other needed imports.

Tires
Although tractor tires were first sold in 1932, approximately 85 per cent of all farm tractors made in 1939 were equipped with rubber pneumatic tires at the factory.

Tobacco
The trend in 1939 was a bit more toward cigars, smoking and chewing tobacco, but even so U. S. Census Bureau figures show that American manufacturers turned out 180,575,095,000 cigarettes.

Chickens Make Profit For Onslow County Raisers
Records kept by Onslow County demonstration poultrymen during the past four years show that a substantial profit can be made from chickens, says Assistant Farm Agent Jack Kelly.

Cotton Stalks Should Be Cut As Soon As Possible
It is advisable to cut all cotton stalks and uproot the stubble as soon as the last cotton can be picked in the fall. During the winter, destroy debris, grass and weeds from ditch banks, hedge rows, and from the first 100 feet of woods nearest cotton fields. The burning of woods to destroy boll weevils in hibernation is not recommended.

Fluffy Waffles

2 beaten egg yolks
1 1-2 c milk
2 c flour
1-4 tsp salt
3 tsp baking powder
6 tbsp melted shortening
2 stiffly beaten egg whites
Mix egg yolks and milk, add flour, salt and baking powder sifted together, and melted shortening. Beat until smooth; fold in egg whites. Makes 4 to 6 waffles.

Chocolate Nut Waffles

Add 2 oz. unsweetened, melted chocolate to fluffy waffles. Add 1-2 cup chopped nuts and 1 tsp vanilla before folding in egg whites. Serve with whipped cream.

Whole Wheat Waffles

2 c whole wheat flour
1-2 tsp salt
3 tsp baking powder
2 tsp sugar
1 c evaporated milk
3-4 c water
2 beaten egg yolks
1-3 c melted shortening
2 stiffly beaten egg whites
Sift flour with salt, baking powder and sugar; add milk, water and egg yolks, then melted shortening. Beat smooth, fold in egg whites. Note: 1-3-4 c fresh milk may be used in place of evaporated milk and water. Makes 4 to 6 waffles.

Dixie Corn Waffles

1 1-2 c corn meal
3-4 c flour
4 tsp baking powder
1 tsp sugar
1-2 tsp soda
1-2 tsp salt
1 1-2 c buttermilk
2 eggs
3 tsp melted butter
Mix and sift dry ingredients. Beat egg yolk, add buttermilk; combine with flour mixture and add melted butter. Fold in stiffly beaten egg whites.

Bacon Waffles

Chop uncooked bacon very fine (scissors are best). Sprinkle about 4 tablespoons on waffle iron, add batter and put more bacon on top. By preparing waffles this way no additional meat is needed for the meal.

Waffle Variations: To the fluffy waffle recipe add any of the following:

2-3 c pitted chopped dates
1 c blueberries
1 c chopped nuts
1 c bran
6 tsp cocoa and 1-2 tsp cinnamon

"Waffles"

One pound of sugar, one pound of flour, one pound of butter, half an ounce of cinnamon, one glass of rose water. Make it in balls as big as a nutmeg, and put them into your waffle iron to bake—From: "The Art of Cooking" by Mrs. Glasse—
