Did you buy YOUR car on Millinery?

OU hear it said often nowadays Y that it's millinery that sells automobiles.

All right-let's put it up to one who knows. Did you buy your car on nicknacks, trick devices, novelties?

Buick prices

begin at

Business Coupe

natice.

delivered at Flint, Mich. State tax,

We believe that while considering style, and room, and comfort - you really picked your car on what it would do on the road!

Now, we take our hats off to no car for being smarter-looking than Buick. We'll match our product against any

for room, for appointments, for fine finish, for comfort.

But beyond all that, we challenge the whole field to equal Buick on its downright all-round performance ability. On its power-on its pull-on its pick-

up-on its easy handling (including

freedom from shifting)-yes, and on

Nowhere will you find a car that does so much so well and so frugally.

You'll find novelties in the new Buicks of course, but they're not the chief attraction. Instead you'll see the two hig basic engineering developments of the year - FIREBALL design and Compound Carburetion.

optional equipment and accessories -extra. Prices subject to change without

its thrift.
