

Officer Will Inspect County Draft Board

Lieutenant Yarnell, of the United States Army, will make his first periodical inspection of the Martin County Draft Board office next Wednesday, Board Chairman R. H. Goodman was advised this week. While the officer reviews all the activities, he will likely pay especial attention to order number assignments and draft calls.

The next call for men in this county is expected on or about the 17th of next month, according to unofficial information received by the board recently.

No date for inducting two replacements into the service has been announced, but instructions are being expected daily.

On January 27th four Martin County colored men will be inducted into the service.

During the meantime the volunteer lists for both white and colored are growing. The number of colored volunteers is nearing forty. There are four on the white volunteer list and more are expected shortly. The names of the volunteers awaiting calls and not including the two replacements, are: Hubert Dossie Griffin, of Everetts; Edgar Monroe Taylor and Mack Gilbert Wynne, both of Williamston R.F.D. No. 3, and Bert Toler, formerly of Williamston R.F.D. No. 3 but now of Vanceboro.

World Looking To National Congress For War Decisions

ed the U-boat base at Wilhelmshafen night before last and returned to virtually complete the job last night and early today. The attack was described as the most destructive dealt Germany during the war, the flames having been visible 130 miles away. The costly attack made by German dive bombers on Britain's Mediterranean fleet last week is being disclosed, reports stating that the modern cruiser, Southampton, was sunk and the 30,000-ton Aircraft Carrier Illustrious was badly damaged. Late reports state that the carrier, now at its Malta base, was attacked again last night, that the Germans claim it will be of no further use in the war.

Disturbing talk has been heard in France lately, some claiming that France will line up with Germany and take arms against Britain. Russia is said to be negotiating a trade pact with Argentina for wheat possibly for shipment into Germany.

Rev. Jas. H. Smith In Auto Accident Today

Rev. James H. Smith, local Baptist minister, escaped injury in an automobile accident near Morganton this morning. Few details of the accident could be learned here other than Mr. Smith was unhurt and that he would be detained in reaching home. Planning to continue home Sunday, the minister will not be in his pulpit Sunday, but arrangements are being made to have a visiting preacher here for the scheduled services.

Presbyterians Plan Mission Rally Here

On Friday night, January 24th, at 7:30 p. m. there will be a home and foreign mission rally in the Presbyterian Church in Williamston. Leaders and members from the Presbyterian Churches of northeastern Albemarle Presbytery will attend this rally along with the local membership and friends.

The program is under the direction of Dr. Scott, of Goldsboro, and Rev. H. M. Wilson, of Farmville. The speakers are Rev. Walter Keys, of Roan Mountain, Tenn., and Dr. Jas. I. Paisley, of the foreign field.

Both of these men have been chosen to speak because of the wide personal experience in their respective fields.

The general public is invited to share this mission treat.

National Defense Religious Program

Yesterday at 2 p. m. in the Methodist Church at High Point, the Home Mission committee and the Stewardship committee of the Synod of North Carolina Presbyterian Church met with chosen leaders from the other denominations to discuss the ways and means of providing suitable and proper religious services and instructions for the thousands of our boys now being trained at Fort Bragg and to be trained later at Holly Ridge.

Elder Henry Walker, of Kinston, and Rev. Chester Alexander, of Tarboro, and Rev. Z. T. Piephoff, of Williamston, represented the Presbytery of Albemarle.

This is one of the real spiritual problems of our National Defense program. It is hoped that the Christian people of North Carolina will make it an object of prayer.

Proceedings In The Mayor's Court Here

Although his work was handled over a five-day period, Justice J. L. Hassell cleared a larger docket than the one in the county court last Monday.

Speeding on the town's streets claimed the attention of police and the courts this week when Louis Brown was fined \$5 and taxed with the costs.

Charged with public drunkenness, Arthur J. Daly, Michigan bricklayer traveling south, was taxed with the case costs to the tune of \$5.50.

James Russell Biggs, charged with operating a car without lights, was fined \$10 and taxed with \$6 costs. Walter Anderson was taxed with \$5.50 costs in the case charging him with disorderly conduct.

Charged with drunkenness, Floyd Wynne was sentenced to the roads for thirty days, the court suspending the sentence for 12 months upon pledged good behavior and payment of the costs.

Mr. and Mrs. Miles Folden, of Bluefield, W. Va., have returned to their home after a visit here with the latter's parents, Mr. and Mrs. W. R. Roebuck.

County Native Dies In Scotland Neck

Henry D. Everett, Hamilton native, died at his home in Scotland Neck yesterday morning at 1 o'clock from an attack of pneumonia.

The son of the late Jesse B. and Mary J. Everett, he was born in Hamilton 73 years ago. When a young man he left Hamilton and lived in several towns in this State and spent some time in Georgia. During the past several years he made his home in Scotland Neck.

Mr. Everett was married twice, his second wife, the former Miss Emma Harris, surviving with three children, Mrs. Clara Bell Copeland, of Hertford; Mrs. Mary Barnes, of Wake Forest, and Claude Everett, of Greenville. He also leaves one sister, Mrs. Letha Huggins, of Norfolk. Funeral services are being conducted this afternoon at 2:30 o'clock and interment will follow in the Hamilton Cemetery.

Fire Destroys Home In County Tuesday

Fire of undetermined origin burned out a family of seven in Williams Township last Tuesday night, leaving the group without sufficient clothing.

Discovering the fire after he had gone to sleep for the night, Joe Moore, colored, barely had time to call and get his six motherless children out of the house. A trunk of little value and a few bed quilts were the only articles saved. Moore, a hard worker in the logwoods, had no insurance on the property.

Members of the family are living with friends in the neighborhood while Moore is trying to gather together funds and material for starting another home. Moore, trying to hold his family together following the death of his wife four years ago, is said to be deserving of assistance, and some help has already been extended.

Missing Man Found Dead In Tranter's Creek Last Tuesday

(Continued from page one)

Ayers' body was lying in about eight inches of water, his hands extended upward and his nose about an inch under water. There were no signs of any struggle, small vines tangled around his fingers being unbroken.

Three of the rifle bullets borrowed were found in his pocket, but the rifle has not been found.

Witnesses denied any knowledge of a fight at a liquor still on Wolf-pit Island not far from where the body was found in the swamp. A general disturbance was reported on the island some time during Sunday morning, but as far as it could be learned the names of the participants and the details have not been disclosed by officers.

That there is another unexplored angle to the death is fairly definitely established, but whether the case will be pursued further could not be learned. Ayers was not very well liked in the community, and it is understood that he was held in contempt because he had reported liquor stills to Martin County officers. Following the hearing, it was pointed out that while the man met with no foul play, he certainly did not receive much consideration or attention at the hands of some of his neighbors.

Members of the coroner's jury were Abe Gray and T. L. Perkins, of Stokes; Robert L. Taylor and Coy Bullock, both of Robersonville R. F. D. 1; J. M. Ward and J. H. Harris, both of Greenville.

The exposure or heart attack victim was the son of Mrs. Henry D. Ayers and the late Mr. Ayers of this county. He was 31 years old and had lived nearly all his life in Bear Grass. Besides his mother, and wife, the former Miss Louise Wynne, he is survived by two brothers, Marvin and Lloyd Ayers, and a sister, Mrs. Lin Williams. Funeral services were conducted from the Rose of Sharon Free Will Baptist Church Wednesday afternoon and interment was in the Terry burial ground in Bear Grass Township.

Mr. Herbert Lilley visited his brother, Bennie Lilley, in a Washington hospital yesterday.

Mr. and Mrs. W. M. Baker attended the funeral of his aunt in Fountain Tuesday.

Suffering a stroke of paralysis a few days ago, Stacy Cox, local man, has developed pneumonia, physicians describing his illness as serious.

Right To Redeem Farms Is Upheld By Supreme Court

(Continued from page one)

reasonable time, fixed by the court, authorized to order a public sale."

This case involved a 200-acre farm whose total value was set at \$6,000 by the lower court but on which Mr. Wright owed \$15,903.68 to the Union Central Life Insurance Co.

Mr. Wright has entered a cross petition asking the lower court to appraise the value of the farm or to set a hearing at which the value would be determined by the court so that he might redeem the property at its true value. The lower court had refused to grant this petition. The Supreme Court decision now makes it mandatory in effect for the courts to grant such petitions.

The Supreme Court pointed out that the avowed purpose of the act was to relieve farmers of an excessive debt load which they cannot possibly pay off and that failure to give the farmer an opportunity to purchase his farm at its current value is to repudiate the intent of the act.

Kiwanians Install New Officers Here

New officers of the local Kiwanis club were installed here last evening at a regular meeting of the organization. Lorimer Midgette, lieutenant governor of the 6th district, was in charge of the installation program.

The district officer complimented the club on its work handled in the past, and appealed for a greater work in 1941. The membership was well represented at the meeting.

J. Paul Simpson will head the club as president during the new year. Dr. J. L. Spencer is the new vice president and Lawrence Lindsley, Jr., will serve as secretary and treasurer.

Williamston Eagles Lose To Conway

The Williamston Eagles took it on the chin again last night when they traveled over to Conway and were turned back by the All-Star team of that city. The final score was 32 to 26.

The game was a hard fought one all the way, the count at half time being 16-14 in favor of the winners. However, it was reported that the Eagles looked better than at any time before this season, and at the same time they offered a slightly changed line-up. Howard Earp, a flashy player, was at one of the forward posts during part of the game, and offered fine all-around play.

Scoring honors for the game for the locals went to Jim Cooke, with seven, while the winners were led by Eugene Ange, Jamesville product now teaching in Conway. Ange made 14 points.

Next Monday night the Eagles will journey to Colerain to meet the Red Devils basketball team of that place.

CARD OF THANKS

It is with sincere appreciation that we extend our thanks to those who were so kind and thoughtful to us during the recent illness and death of Mrs. Mamie L. Taylor. The kind deeds and expressions of sympathy will long be remembered.
