Bertie County Courthouse

Bertie County has completed the transformation of its courthouse at Windsor. The court house had for a long time been inadequate in size and in bad repair. With the expenditure of \$40,000 for materials and the wages of WPA workers, three wings have been added to the structure, the inside thoroughly renovated, and the exterior painted. The Bertie County commissioners sponsored the WPA project which has filled a long-lasting need in the county.

WAYS TO PREPARE CAULIFLOWER

Cauliflower, a vegetable of the cabbage family has many possibilities for being prepared in a tasty and attractive manner.

Cauliflower with Tomato Sauce
Separate the flowerlets of a head of cauliflower and let them lie in salted water for a while to remove any insects that may be embedded. Cook until tender in a small amount of salted water. Drain and put into a heated vegetable dish and cover with tomato sauce which has been thickened with moistened flour.

For smothered cauliflower, prepare as above, and cover with buttered bread crumbs and grated cheese and put in oven to brown.

Cauliflower Delicious
3 c diced cauliflower
1 tsp salt
1-2 c milk
1 tsp butter
1 tsp flour
1-8 tsp pepper
Paprika
Cook cauliflower in a small amount of water until tender, adding salt. Add the milk and thicken slightly with the butter and flour cooked together. Add the pepper and pour into a serving dish. Sprinkle with paprika.

Cauliflower Poinaice
Remove leaves from cauliflower, cut off stalk and soak 30 minutes in salted water to cover. Cook (head up) 25 minutes or until tender in one quart of boiling water to which has been added 1 pint of milk and 1 tsp salt. Drain, place in hot serving dish, sprinkle with yolks or two hard-cooked eggs put through a sieve and mixed with 1 tsp of finely chopped parsley and 1-3 cup coarse bread crumbs sautéed in butter until delicately browned. Drained stock may be used as foundation for a creamed vegetable soup.

Bermuda Salad Bowl
1 small head cauliflower
1-2 c olives
1 head lettuce
1-2 large Bermuda onion
2-3 c French dressing
1-2 c cheese, grated
Remove outer leaves from cauliflower and separate flowerlets. Slice these crosswise into thin slices. Slice onion crosswise and separate into rings. Slice olives. Marinate the cauliflower, onion rings and olives in the French dressing for half an hour. Just before serving add shredded lettuce and cheese. Mix together in salad bowl until lettuce is thoroughly coated with French dressing. Serves 8.

Lobster and Cauliflower
1 head cauliflower
1 lemon
1-2 tsp salt
1 pt water
3 tsp butter
