

Snow Hill Retains Franchise in Coastal Plain League

League Officials To Meet Last Of Month

Rocky Mount Would Not Deny Snow Hill Claim To Franchise

Committee Now Working On Schedule For Coming Season

After surrendering its berth in the Coastal Plain League last Saturday, Snow Hill yesterday was re-admitted to the circuit by the league directors, the action giving the league the same line-up in effect during the past two seasons—Snow Hill, Goldsboro, New Bern, Kinston, Wilson, Greenville, Tarboro and Williamston.

Apparently convinced that Joe Exum would not maintain the franchise and finance the club operations, Snow Hill fans accepted the responsibility and made a special trip here Sunday to seek admission. A telegraphic poll of the league directors yesterday favored by a unanimous vote the retention of Snow Hill as a member of the loop.

No formal application had been filed by any other town, and Rocky Mount, advised of Snow Hill's bid for re-entry stated that fans there would file no application for admission into the league in opposition to Snow Hill. It was stated that Rocky Mount had made tentative plans for forming a club and taking over the Billies' franchise. It was reported early yesterday afternoon that Tarboro would oppose Snow Hill's claim to a franchise in the league, but a poll of the votes unanimously supported the Billies' claim.

Mr. Josh Horne, of Rocky Mount, wrote to Mr. Goodman, as follows: "I am unmoved from the feeling and position which I have previously taken in this matter that until the eight clubs as previously operating had been given every chance and that in a finality when they did decline and not until then would I or those with whom I am associated have been willing to make an application for a franchise in the league."

Following the vote poll, League President R. H. Goodman advised the schedule committee to draft a playing schedule for submission to

SPORTSMANSHIP

The county basketball tournament was a success from all angles, especially the sportsmanship shown by every team and its followers, and the officiating. The entire tourney was run off without mishap, and never was there any argument over decisions, a fact that should be impressed upon everyone. Despite the thrilling and close contests, the officials, Bosko Anderson and Hack Gaylord, held the situation well in hand and should be complimented on their thorough and capable handling of what could have become a difficult situation.

Congratulations are extended to the high school teams, their coaches and followers, and the officials. We think everyone had a fine time, enjoyed a first-class tournament, and hereby vote to give every team a trophy for their clean play throughout the series.

Local High Cagers Meet Tarboro Here

Williamston High's boys and girls basketball teams engage Tarboro High in a doubleheader tonight in the local gymnasium beginning at 7:30 o'clock. Tonight's encounter marks the second meeting of the school teams. Williamston losing both of the games played in the Edgecombe city by very small margins.

Only three games remain unplayed on the locals' schedule. In addition to the games here tonight, the local boys and girls will journey to Lewiston Friday night. Next Tuesday night will bring the climax of the season when Washington High's strong teams play in the local gym.

The league directors. The tentative schedule is due the latter part of this week and it is possible that a meeting of the league officials will be called for Friday night of next week. The schedule will be based on a playing period opening May 8th and closing September 4th.

Martins and Windsor Play Here Wednesday Night

Jamesville Boys and Girls Win Championship

Breezy Beard Night Arranged To Honor Injured Martin Star

Jamesville Lassies Defeat Bear Grass By Count Of 33-26

Displaying a remarkable brand of basketball throughout the county high school basketball tournament, the Jamesville High School girls' and boys' cage teams walked away with both championships and the coveted trophies awarded the champions in each division. Rev. Z. T. Piephoff awarded the gold basketball trophies, which stood 19 inches high, to Captain Marjorie Martin and Captain Dennis Holliday in the after-game ceremonies.

The crowds attended the tourney this year have been the largest in several years, and in spite of a steady rain last Friday, an unusually large group of rabid fans and followers gathered to watch the championship finals.

Jamesville Girls Win, 33-26

Beginning promptly at 7:30 o'clock the Jamesville-Bear Grass girls' contest proved to be a ding-dong battle for the first quarter with little blonde Rosalyn Mizell doing most of Jamesville's shooting, while Miss Hattie Ward displayed unerring skill at dropping baskets for Bear Grass. Going into the second period with the score knotted at 6-all, the lassies from Jamesville put on a scoring spurt, which found them out in front at half-time by a count of 14-8.

The third quarter was just short of murder as eagle-eyed Marjorie Martin found her range, and began dropping in two-pointers from all angles, the score at the end of the third period being 28-11. But then Miss Hattie Ward, of Bear Grass, also found her eye in the final period to score nine points in a late rally which fell seven points short.

Jamesville's Miss Martin, started off slow in scoring, but ere the exhibition was over everyone had to recognize her sterling ability and all-around play. She led her team to victory with 16 points. Mizell, with 11, followed close behind. On defense, Calloway was outstanding.

Not to be overlooked and staging a brave fight from the opening whistle, Hattie Ward was Bear Grass'

TOURNEY All-Star Teams

With the aid of the officials of the county tournament, Coach Sam Edwards, and Official Prof. Butler, the All-Tournament team was finally decided upon as follows:

- Girls' Team**
 Marjorie Martin, Jamesville, f
 Marjorie Bunting, Robersonville, f
 Marjorie Dunn, Williamston, f
 Hattie Ward, Bear Grass, g
 Bettie Calloway, Jamesville, g
 Juanita Edmondson, Rob'ville, g
- Boys' Team**
 Earl Roberson, Bear Grass, f
 Albert Harris, Bear Grass, f
 Thurman Ange, Jamesville, c
 A. Holliday, Jamesville, g
 Bennie Daniel, Farm Life, g

In selecting these teams, there was much debate, and it was finally decided to give the players on teams eliminated, due consideration, despite the fact that they did not have the same opportunity. Hence, Miss Dunn was placed on the all-tourney team over Rosalyn Mizell, of Jamesville, who has played a big part in the play-offs.

Misses M. Martin and M. Bunting rate high distinction, for Martin has one of the best shooting eyes and employs, unusually fine footwork. Beyond a doubt, the fastest breaking forward and one of the highest scorers in the tourney, Bunting deserves a spot in the all-star cast, while Miss Dunn rates the other forward post on her exhibition at sinking difficult shots with a weak team.

Hattie Ward, who played both forward and guard, could have been placed at either position. Misses Calloway and Edmondson were steady and dependable in their guard duties throughout the play, and were thus given the nod over a number of other fine players.

More trouble was encountered in selecting the boys' team. Roberson, see. She was switched to guard in an attempt to throttle Martin, but later returned to forward to count 11 points during the last half to run her total for the night to 15 points. O. Rogerson was next with seven points.

Bear Grass Boys Lose to Jamesville In Finals, 22 to 10

In the boys' championship finals which started soon after the end of the girls' contest, Jamesville and Bear Grass boys' teams waged a merry race for the laurels, with the Jamesville boys coming out on the big end, 22-10.

With both teams offering the best defensive tactics seen here in quite a while, it looked as though neither could break into the scoring column and it was not until four and a half minutes before the end of the first quarter that Brown, of Jamesville, scored on an action shot. Bear Grass followed immediately with a two-pointer by R. White. Jamesville's Brown made good one of two free shots as the first period ended, to put Jamesville ahead by a count of 3-2.

Opening the second quarter, R. White made good on a free shot to once more tie the score. And then the defenses tightened, and numerous scoring attempts were broken up by close and steady guarding. With three minutes left in the first half, Martin, of Jamesville, sank a field goal to put his team ahead at half-time by the low score of 5-3.

It was quite a different story in the third period, when both teams relaxed their defensive tactics and went on the offensive. Jamesville racked up ten points during the period while Bear Grass was good for

seven. Bear Grass, the same five men playing hard throughout the battle, tired in the first quarter, and was unable to connect for a point, as Jamesville's "Iron Men" placed seven, to put the final count, 22-10.

Ange and Brown led Jamesville in scoring with seven points each, while R. White was tops for Bear Grass with five points. But Roberson deserved special mention for his guarding of Ange, who was unable to make good on a single one of his hook-shot specialties during the first half.

A. "Zero" Holliday and Bennie Daniel were placed at guards. Both were the sparkplugs of their teams.

Rebel Hack Gaylord and Pap Diem To Stage Unusual "Floor Show"

In a contest to honor Breezy Beard, Martin basketballer, who was injured while playing in the Washington tournament several weeks ago, the Williamston Martins will meet Windsor's Rebels here next Wednesday evening at 8:00 o'clock in the high school gym.

Beard, with a bad ankle injury, is still on crutches suffering pain and inconvenience, and has been unable to return to his work. To show their appreciation for his past play as an outstanding Martin player, the team decided on this contest to honor one of their key men.

Windsor was defeated by the Martins in the semi-finals of the tourney in Washington by a very slim margin, and it is said that the Rebels will bring their best here Wednesday night in an effort to gain revenge. Hack Gaylord, known throughout this section, will play for Windsor, and says, "I'll be there with both arms." This looks like

the locals will run into a load of trouble for the Hacker usually holds himself to those one-hand trick shots. Of course, there will be four other men along with him, just to fill up the uniforms. Love, Godwin, Goldstein and Walker are expected to finish up the starting line-up. And that makes up an excellent starting team in any league.

For the Martins, Pap Diem will be on hand with his bag of tricks, while Bosko Anderson, can be expected to do some plain and fancy shooting. Fenner Wallace, who injured his knee in the Washington tournament, is back in shape and ready to go. It was announced that A. Holliday, flashy Jamesville high school cage star, will be on hand, to display his prowess, while Dave Fuller, and Cecil Longest may return here for the contest.

Nevertheless, two fine semi-pro teams will be seen in action here on Wednesday night, and a large crowd is expected to be present to honor Breezy Beard.

Going Out of Business Sale

NO FAKE SALE
 Our Building Has Been Leased To People's Drug Store, Inc., Of Williamston, N. C.

This Mammoth Store-Wide Sale Will Begin
Friday Feb. 21
 EVERY ITEM IN OUR STOCK MUST BE SOLD
