

Jamesville Wins A.C.C. Tourney Championship In Wilson

County Team Annexes Third Tourney Title

Gifted Youths Mow Down Opposition to Get 35 to 26 Victory

Defeat Moss Hill 14 To 11 in Semi-Final Event to Place In the Finals

Jamesville High School boys' basketball team won its third straight championship in as many years last Saturday night, when they defeated Deep River High in the final round of the Atlantic Christian College tournament, held in Wilson. The Martin County lads offered an unusually fine brand of ball throughout, many fans listing Jamesville as the smoothest and scrappiest team seen in that section in some time.

In the Finals
Coach Jim Uzzle's proteges piled up a 20 to 7 lead in the first half and coasted to a 35 to 26 victory over Deep River, a tourney dark horse, to clinch their third title. Jamesville's previous victories were in 1940 and 1938, the 1939 tourney was cancelled owing to an influenza epidemic.

In the opening period, Jamesville displayed a scoring spree which swept Deep River off its feet and by the end of the first period the champs were out in front 12-2.

At the end of the third quarter, the winners were leading 26-14. In the final period, Deep River spurted for a dozen points, but the big lead proved too much to overcome.

Zero Holliday, Jamesville guard, and Captain Foister Cole, Deep River guard, view for individual scoring honors, each having ten points.

In the Semi-Finals
Jamesville defeated Moss Hill 14 to 11 in a close game Saturday morning in a semi-final contest. Despite the fact that the Moss Hill boys showed a grand brand of ball, the Jamesville defense proved too much for the losers.

Williams, of Moss Hill, scored first in the game in the middle of the first quarter with four minutes left to play in the period. Moss Hill blank-

SCORING RECORD

Led by the brilliant all-around play of Zero Holliday, the same young fellow who has been setting the woods afire in this section all season, the Jamesville team not only gathered in its third straight A. C. C. tourney title last Saturday night, but they also set a new tournament scoring record.

In five games the Jamesville youngsters amassed a total of 151 points, breaking the previous mark by 20. Jamesville rolled up 25 points against Southwood, 49 against Benson, 28 against Snow Hill and when held to 14 by Moss Hill appeared to have little chance of topping the old mark. However, Saturday night's 35 turned the trick.

ed the champions, the initial period ending, 2-0.

Brown started the scoring for Jamesville in the second period tying things up 2-2. Howell then put Moss Hill ahead again by a free throw. Ange made good on two free shots putting Jamesville ahead 4-3. Martin then looped in a beautiful shot from center court to put the score at 6-3. D. Holliday repeated Martin's feat to increase the margin to 8-3. Cauley tossed in a two-pointer for Moss Hill, with Williams repeating, to make the score at the end of the half 8-7 in favor of Jamesville.

Ange tossed one in from under the basket right after the third period got underway, while Cauley followed for Moss Hill, making the count 10-9. Brown, of Jamesville counted two free throws. The score: 12-9 at the end of the third quarter.

Howell started the scoring with a field goal to tighten up the count 12-11 in favor of Jamesville. Zero Holliday scored the final two-pointer to make the final score 14-11 in favor of Jamesville.

County Gets Two On All-Star Team

Two Martin County basketball players were placed on the All-Tournament team, selected at the end of the A. C. C. series held in Wilson last week.

Zero Holliday, of Jamesville, and Ronald White, of Bear Grass, were named by the judges on the first team.

"Zero," whose team won the championship (in case you didn't know), gained quite a following at Wilson with his deceptive passing and uncanny eye for the basket.

Sparking Bear Grass to the semi-finals event where they were defeated only after an over-time period, White gave an unusually fine exhibition of spirit, besides being one of the high scorers of the tournament.

Both of these boys deserve much praise for their success.

Ramblers Gain Court Revenge

On last Friday, March 7th, the

Old Town Ramblers came back to defeat the New Town Junior Martins by a score of 25-15 in a heated basketball game. In the previous game Junior Martins won over the Ramblers, 31-16. High scorer for the day was Jack Sullivan, with 14 points. S. C. Griffin, Jr., led the New Town team with nine points.

Grabbing an early lead the Old Town team stayed ahead until the final whistle.

Bear Grass Loses in Semi-Finals Saturday

Deep River Scores In Over-Time Tilt For Victory Margin

Winning Shot Was in the Air When Final Whistle Was Sounded

Martin County's second representative in the A. C. C. tourney semi-finals, Bear Grass, was edged out by Deep River High Saturday morning, in an over-time battle, by the score of 31-29. The shot which defeated the Bear Grass quint in the extra period, was still in the air as the gun sounded.

Deep River scored first as Cooper made a free throw good. Harris, however, came back and fielded one for Bear Grass.

With the score tied up twice in the first period Deep River managed to end the quarter ahead by a 7-5 margin.

Despite the fact that twice during the second quarter the score was knotted at 7-7 and 9-9, the Deep River quint managed to end the period still leading, though only by a one-point margin, 10-9.

Deep River came from behind twice in the third period to take the lead once and then again near the end of the quarter to tie things up at 19-19 as the period ended.

The game went into an over-time period as the regular playing time ended with both teams chalking up 27 points.

This was the second overtime game of the tourney with Bear Grass figuring in both of them. They defeated Maxton in an extra period.

Roberson was high scorer for Bear Grass with 10 points, while Cole led the winners with 12.

FSA Denies Loans To Tenant Farmers

Dadeville, Ala.—With the termination of the Government's "disaster loan" program some 300 tenant families in Tallapoosa County, Alabama, who have experienced three years of short crops and low prices, state that they face migration unless they can get credit for food and other crops.

In an appeal to the Secretary of Agriculture, Claude Wickard, for remedial action, they report that applications to local officials of the FSA have been rejected. The reason given by FSA officials is that the tenants still owe payments on their disaster loans.

The tenants, however, assert that large landlords desirous of maintaining a supply of cheap wage labor in the neighborhood are dictating local policy. They state that their seed loan applications are rejected because landlords refuse to waive priority on claims for rent and that tenants owing only \$10 or less on disaster loans have been refused credit by the FSA.

Happenings In The Bear Grass School

By WILLIE COWAN
The Senior class of the Bear Grass High School will present their senior play, "Lena Rivers," Friday night March 14, in the school auditorium. "Lena Rivers" is the most popular and celebrated novel by Mary J. Holmes. It has broken all previous records, first as a novel, then as a play, and later as a picture, and recently as a talking picture, with Charlotte Henry taking the leading role. Because of its wide variety of entertainment, it was the perfect choice as the senior play. "Lena Rivers" is the sort of play
