IN GIVING YOU ALL YOU COULD WISH FOR IN GASOLINE

FIRE-CHIEF

Sky Chief

No matter which you choose—the dollar you spend for gasoline cannot buy more value.

At its price, you cannot buy a better gasoline than Fire-Chief. Remember, every time you "fill up" with Fire-Chief, you're getting a gasoline actually developed for emergency vehicles. It's a thrill to drive with Fire-Chief gasoline, and you get maximum mileage

with complete freedom from summer stalling.

There's a large group of motorists today who are satisfied with nothing short of perfection. For those who want the best, SKY CHIEF gasoline was developed. Costing no more than any premium gasoline, it promises really fast starting and an instant source of abundant power. SKY CHIEF flat-

tens out the steepest grades, without any sign of knock or ping.

When you stop for Fire-Chief or SKY CHIEF, there are three other important things you get. There's our famous free Circle Service, which makes your driving more comfortable... Registered Rest Rooms, whose cleanliness is pledged by each dealer... and Courtesy from the gentleman who serves you.
