Seniors' Gift To The Local School

At the class day exercises tonight, Susie Griffin, president of the senior class, will make formal presentation to the school a new cyclorama as the gift of the Class of 1941.

These stage draperies were purchased with proceeds from the play, "Mumbo-Jumbo," given recently to a capacity audience, and from the proceeds of the class day exercises tonight. Any further money will be used to purchase books for the school library.

The small admission charge is a departure from tradition here, although a number of neighboring schools employ this means of adding to the senior gift. The class voted unanimously to adopt the practice in order to secure the cyclorama instead of a smaller gift. The members of the immediate families of seniors will be admitted by passes and seated in a reserved section.

Clayton, of Williamston, won the high score prize, a crystal relish dish; Miss Nellie Bryan Newton, of Enfield, second high, a blue vase, and the traveling prize, antique pictures, was captured by Miss Elizabeth Gray, of Enfield. Miss Vernele Kimball, of Enfield, bride-elect, was given crystal goblets and Miss Lawrence received a steak set in her chosen silver.

Bridal ices, decorated cakes in heart shape and salted nuts were served. On the plates were tiny bags of rice bearing hand-painted cards inscribed, "Kat and Dick, May, 1941."

MR. FARMER

Remember, There Is Only One
Channel Drain Roofing

MR. FARMER, Remember there is only one Channel Drain Roofing. It gives you many years longer service and when it rains it drains. Often times you will be told that some other Sheet Roofing is Just As Good as Channel Drain. Why take this chance! Demand the original. Please keep this in mind that when you ride along the road and see a rusty roof "That's Not Channel Drain." So as protection to yourself, see that the word Channel Drain is on every sheet of metal you buy.
