Woman's Club Holds Meeting Wednesday

The last business meeting of the Senior Woman's Club for this year was held Wednesday. Discussing at length the renovation of the club rooms with electricians and upon information received from a report as to costs of painting and fixing the floors, it was decided to proceed with the work after an estimate is received by Mrs. N. C. Green as to cost of changing the ceilings of the rooms. The plans of the club are to provide the town with an adequate community center.

Mrs. G. H. Harrison, treasurer, made her yearly report, showing receipts of \$426.19. Of this amount donations have been made to the Red Cross, Greek Relief fund, British Relief, the school band, the library fund, Christmas Cheer fund and to the Baby Clinic. It was voted at this meeting to buy \$20 worth of cod liver oil for the clinic this summer.

The report of Mrs. Joel Muse, chairman of the welfare committee, showed that 53 children in the local schools had been helped during the year.

Mrs. W. K. Parker, chairman of Fine Arts, reported three art exhibits in the schools during the year, the receipts from one of them being used to purchase pictures for the school. Her committee also reorganized the choral club which gave recitals at Thanksgiving and Christmas.

The retiring president, Mrs. Wheeler Martin, gave a comprehensive report of the year's activities, which showed the efforts of the membership had not been in vain, but that the club has meant much to the betterment of the life of the community.

After turning over the gavel to the incoming president, Mrs. E. P. Cunningham, Mrs. Martin was given a rising vote of thanks for her worthy leadership for the past two years.

Mrs. J. W. Watts, who represented the club at the state convention very ably, reported the highlights of the meeting. Excerpts from her report will be printed in next week's Enterprise.

Miss Julia Watts Will Marry William Monroe Ashmore Here In Fall

Mrs. Maurice D. Watts, of Huntington, West Virginia, this week announced the engagement of her daughter, Julia Crawford, to William Monroe Ashmore, of Huntington, and Randolph Field, Texas, the wedding to take place in the Williamston Presbyterian Church next October.

The above announcement is received here with much interest since Miss Watts is a native of Williamston and made her home here until after the death of her father in September, 1935. She attended the local schools and has many friends in this section who remember her as a young girl of charm and pleasing personality. She is now making her home in Huntington where she completed her education. Mr. Ashmore, son of Mr. and Mrs. H. H. Ashmore, of Huntington, attended Millersburg Military Academy and West Virginia University, and will be commissioned as a lieutenant in the Army Air Corps at Randolph Field in October.

Mr. J. F. Wilson, of Norfolk, was a business visitor here yesterday.

Junior Club Holds Meeting Tuesday

The Junior Woman's Club held its regular monthly meeting Tuesday night at eight o'clock. After routine business matters were attended to, Mrs. J. Paul Simpson gave a most interesting summary of events which took place at the recent meeting of the North Carolina Federation of Women's Clubs in Winston-Salem, which she and Mrs. E. T. Walker attended as delegates from the Williamston Juniors. Mrs. H. O. Peele reported on the Cabaret Dance and Ham Raffle both of which were recently put on by members of the club in order to increase the funds in the treasury.

Mrs. P. B. Cone and Miss Nelle Johnston, guest speakers for the evening, delighted the group with first, a most interesting description of the Orton Gardens, near Wilmington, by Mrs. Cone, and a very enlightening contribution by Miss Johnston on "Defense Activities and Their Social Effects So Far in Eastern North Carolina." At the conclusion of the program

all members were urged to be present at the next meeting of the club at which time Mrs. J. B. Joyner, president of the Fifteenth District's Federation of Women's Clubs, will be the guest speaker.

Were Here Wednesday
Mr. and Mrs. Willie Styons, of Plymouth, were visitors here Wednesday.

NOW 3,000,000 MODERN HOMES HAVE SWITCHED TO switches!

LITTLE MISS 1890: See? It's like turning on the sun! Mummy said, "Electricity's so clean and safe that some day everyone will switch to it for light!"

LITTLE MISS 1941: See? Mummy meant this switch when she said, "The switch is to switches for cooking, just as it was for light!"

Already, 3,000,000 women do less work and do it more easily because electric cooking's so clean, 3,000,000 women have more free time because electric heat cooks meals automatically, without watching. 3,000,000 women set a better table, too, because electric heat seals in savory juices. Modern youth is growing up in 3,000,000 homes that have switched!

Fast + Clean AND Cheap, LIKE ELECTRIC LIGHT + THAT'S WHY The Switch is to Switches again!

29 MILLION!
A record never before approached!

★When the 29,000,000th Ford rolled recently from the assembly line, an all-time record for the industry was set. 29,000,000 units built by the same management and all bearing one name—a name that has become one of the best-known trade-marks in the world! It is significant that this achievement comes at a time when our country is making a mighty effort to re-arm swiftly. For to further that effort, to help speed it along in any possible way, we have offered the vast facilities of the Rouge Plant and every ounce of our experience. As you read this, a new \$21,000,000 Ford airplane engine plant, started only last fall, is nearly completed. A new magnesium alloy plant, one of the few in the country, is already in production on light-weight airplane engine castings. Work is right now under way on a new \$18,000,000 plant for mass production of big bomber assemblies. Orders have been filled for military vehicles of several types, including army reconnaissance cars, staff cars and bomb service trucks. In the midst of this activity for National Defense, building the 29 millionth Ford car is simply one part of the day's work. The public has acclaimed the 1941 Ford car as the finest in Ford history. Ford Dealers are enjoying their greatest sales and expecting their best year since 1937. It is good to be producing the things America needs, and to be setting records on the way!
