A Good Habit:
It's a good habit to have the proper amount of light for reading—and the proper placement of the reading lamp is important, too. The light should come over the left shoulder.
And an excellent habit to cultivate in your home is to use **Bamby Home-Made Style Bread** for making toast. For here's an open-textured, tender-crust loaf that was made for toasting purposes. Delicious in flavor, uniform in quality, Bamby Home-Made Style Bread is always fresh at your grocer's.
