# **Defeat Wilson Tobs** In One-Sided Affray

## Pete Kunis Drops A 13-Inning Battle To New Bern, 2 to 1

Skipper Rodgers' Men Are Now Showing Power At the Plate

During the last two days, the Williamston Martins have won one game and lost two to drop once more into fifth place in the Coastal Plain League standings. The Martins split a doubleheader with Wilson Tobs here last Tuesday, winning the first game by the one-sided score of 17-4, but Manager Herring's lads came back in the nightcap to take a 7-5 victory. The Martins dropped a 2-1 hard-fought 13-inning affair to New Bern over there last Wednesday night.

Divide With Wilson

Williamston got off on the right foot against the Tobs in the first game, scoring three runs in the first frame on singles by Johnny Byrum and Chesty Sparr, a passed ball, a walk, and Elmer Cone's double. Another trio was added in the fifth on Sparr's homer. Skipper Rodgers' double and singles by Cone and Charlie "The Duck" Wilcox. Making sure of victory, the locals scored six runs in the sixth on Cone's triple, singles by Byrum and Chuck Tay-

lor, two walks and three errors.

Slim Gardner went the route for Williamston, giving up 12 safeties, five of which occurred in the ninth

Chesty Sparr led the Martins' 17hit attack on two Tob moundsmen, getting a home run and three singles for five trips to the plate. Elmer Cone, with three for four, drove in six runs during the game.

The nightcap started off wrong when Harry Humphries differed with several decisions in the first two innings, losing his control and giving up two runs in each of these

Nevertheless, Williamston came back in the fifth to tie the score when Byrum singled, Tuckey walked and Taylor singled to fill the bases. Skipper Rodgers then hit a drive over deep centerfield fence.

But the Tobs went on a rampage the seventh to score the three deciding runs on three hits, two walks and two errors. Babe Tuckey tripled in the seventh and came home on an outfield fly, but the locals could

Skipper Rodgers, with a four-run homer and a single, and Johnny Byrum, both with two hits for three attempts, led the Martins at the

plate.
Babe Tuckey continued his unusually fine display at shortstop, making several hard catches and pretty

Things To Remember When Marketing Eggs

In marketing eggs never put them cases until they are properly cool they can't cool rapidly. So, they begin to lose quality and may even become had. The way eggs are mar keted also affects their quality and the number lost through soilage Eggs need to be marketed often. And once a week isn't often enough Twice a week isn't often enough it hot weather. For satisfactory results eggs need to be marketed just at soon as possible after they are ga thered and cooled. One other point the eggs must be protected from hea while on the way to market. If the eggs or containers in which they are packed are exposed to the sun or heat from other sources, they will lose quality. Loss of quality means ss of market values.

## Tells How To Make Good Hay Crops

A hay crop should yield at least a ton per acre and three tons per acre are possible in North Carolina, says E. C. Blair, extension service agronomist at N. C. State College. Here are some of the rules for good

production set out by the specialist: All hay crops respond to a fertile soil. They take large quantities of plant food from the soil. The non-legumes get all their food from this source. Legumes, if inoculated, can draw about two-thirds of the needed nitrogen from the air, the other third necessarily coming from the

For these reasons, hay crops should be grown in rotations to which le-gumes are turned under and should

### SCHEDULE

Tuesday, July 8. Methoterians vs. Christians. Episcopalians vs. Baptists. Thursday, July 10. Baptists vs. Christians. Episcopalians vs. Methoterians

The Baptists continued their win-ning streak in the City Softball Circuit last Wednesday night when they defeated the unlucky Methoterian 0 in the first game of a twin bill Bill Spivey's hustling Christians are right at their heels, however, having also gained another victory, winni over the Episcopalians, 7-4.

### Baptists 3, Methos 0.

The lowly Methoterians are digging a permanent spot in the cellar falling before the Baptist onslaught in a 3-0 shut-out. The Baptists counted their first score in the second inning when Grub Cone hit a triple over the rightfielder's head and came home on Hewitt Edwards' outfield people to dispose of surplus fruits fly. Another run was added in the fifth when Julian Harrell was safe on an error, went to third on another bad throw and scored on Arthur Anderson's single. The final tally came in the sixth on an error, two

John Thigpen led the hitting atthree. The Methos outhit the Bap-ists, six to five.

Christians 2, Episcopalians 4 Starting late, Bill Spivey's Christians had a tough time conquering the Episcopalians in the second game last Wednesday night.

In the second inning, Parson Goff-ingled. He went to third base when Catcher Mack Simpson attempted to catch him off the base, but threw stûn 2. Struck out, by Fuller 1. Featherstun 5. Gardner 2. Hits, off Fulbases: Williamston 13. New Bern 6. Simpson made another bad throw ler 12 in 5.1.3. Featherstun, 5 in 2. Base on balls, off Kunis 4. Taylor 5. to third base. The Episcopalians, however, tred the score on walks by Struck out by Kunis 14. Taylor 5. Pap Diem and Mack Simpson and Taylor Malone's single, and then scored three more runs in the third be well fertilized.

The presence of plenty of usable plant food and lime in the soil not only results in bigger yields but al-

so in hay of higher feed value. Such in the fifth to score four runs and hay contains more protein, vitamins decide the outcome of the ball game and mineral matter than the same Jack Manning singled, C. T. Roberkind of hay grown under conditions son walked, both scoring on Jack of soil poverty. Animals fed on this Sullivan's double. Vernon Bunting hay grow faster, develop better singled to score Sullivan, and cross-bones, and are healthier than those ed the plate on singles by Fenner fed on hay low in these materials.

The Christians made two more in plement for fertilizers in all parts of the seventh, when erratic fielding the State and should be used alone a single and a wild pitch came all at at the rate of five tons per acre in one time.

Parson Goff had a perfect night Lime also is valuable in that it at bat, getting four for four. Taywill increase the yield and mineral or Malone led the losers with two content of hay, if the soil needs it.

## DODGERS' BEST - - - By Jack Sords

Jorge Pardo, of the Colombian Navý, is graduated from the Deep Sea Diving School, Washington Navy Yard, after five- and one-half months of intensive training. Twenty-five officers and enlisted men were graduated from the school in the Navy's speed-up training course for undersea personnel.

## **Summer Tourists** Help Supplement State Farm Income

Scores of farm families throughmountains and along the seacoast and main highways supplement their income in the summer by renting rooms and serving meals tourists

Miss Pauline Gardon economist in home management and furnishings, says home offers an opportunity for farm and vegetables at a profit. She offers several suggestions for attracting tourists, and for keeping them, which she says is the hardest job;

"When people stop at farm homes for meals," Miss Gordon declared, "they expect plenty of simple, well cooked food - chicken, ham, milk chicken, ham, milk tack for the losers, getting two for cream, fresh fruits and vegetables two, while Arthur Anderson was best for the Baptists, with two for the chief things a fourist home has

good mattresses and clean linen ea should receive first consideration. Cleanliness is the first thing tour-ists look for. Tourists are not interested in family pictures. Eliminate all of them from the bedrooms."

The extension specialist, who trav-els all over the State and is a keen observer of home management and house furnishings, says that a well-worded sign in front, or at a short distance from the house, is the first public. Of course the house must look

For proof that keeping tourists is just as advantageous to produce supplementary enter r as to the merchant.
