

Martins Will Attempt To Out-Maneuver Engineers Sunday

Battle To Begin In the Local Gym At 3 P.M.

Martins Lose Close Court Exhibition With Army Team

Locals Drop 36-31 Verdict To Engineers In Washington Wednesday Night

Williamston's hapless Martins dropped another game this week, losing to the Company A, 649th Engineers basketball team over in Washington Wednesday night. The locals went down fighting by a score of 36 to 31.

The Engineers opened with the first field goal and thereby took a two-point lead, but this was matched by one by Jack Manning, and then

In a return exhibition, which promises to offer two evenly-matched court teams, the Williamston Martins will battle it out with the Company A Engineers of Uncle Sam's Army in the high school gym here Sunday afternoon. The game will begin at 3:00 o'clock.

The Engineers roster includes a number of outstanding former college stars, including Babe Lindsay, who played at Manhattan only a few seasons back. Joe Gregory, former Illinois court star from the mid-west will also be seen in action when the Engineers journey here Sunday afternoon in an attempt to make it two in a row over the Martins.

Jack dropped in two gratis shots to put the locals ahead by two points. At the end of the first period the Martins had worked their advantage to 9-4, but the second period saw the soldier boys spurt and go ahead, holding a 19-16 lead at half-time.

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

Green Wave Teams Split Doubleheader With Lewiston High

Girls Win 13-11, But Boys Lose 37-21 in One-Sided Contest

The Green Wave basketball teams divided a doubleheader with Lewiston High School on Tuesday night in the local gym. The Williamston girls won 13-11, and the Lewiston boys were victorious 37-21.

The girls' game was a close one with Williamston leading at the half 8-3. Lewiston came back strong in the second half to bring the score to a 11-11 deadlock. Audrey Hardison made the winning goal for Williamston, the final score being 13-11.

A stellar defense maintained by the Williamston guards throughout the game doubtlessly accounted for the victory. The ball remained in Williamston territory a large part of the time through the combined efforts of B. Gurganus, Ward and Shaw.

Marie Moore led the Williamston scoring attack with six points. Bernice Perry followed with five. M. Peele was high scorer for Lewiston with seven points.

The Williamston boys lost a one-sided game to Lewiston, 37-21. Williamston's leader was Jack Sullivan with six points. Connor was tops for Lewiston with 16 points.

On Friday the teams will journey to Edenton to engage in an annual classic.

Piper of Tobruk

Entertainment for wounded prisoners awaiting first aid in Tobruk is provided by the piper of a Scottish Highland regiment. This soldier carries his bagpipes wherever the war takes him, and they are welcomed by all his companions.

During the second half, the offensive play was about even, as several potential Martin scores hit the hoop and rolled off the non-pay way. The locals' inability to make free shots also contributed to their downfall, as the five-point margin of defeat could have easily been overcome had they made more of their throws from the foul line.

The Engineers presented a fast breaking and quick passing team, all very neatly attired in new uniforms of white satin trimmed with red letters. After playing the Martins here Sunday afternoon the Engineers will engage the local Eagles over in Washington next Tuesday night.

For the Martins Shorty Corey was the pacesetter offensively by scoring 11 points, followed by Jack Manning with seven, and Breezy Beard with six.

For the victors, Lindsay, guard, was the outstanding performer, as he led his mates with 12 points, and turned in the best floor game. Old "Father" Diem was the best on the floor for the Martins.

ELMER RIDDLE, RED PITCHER, TOPS AMONG NATIONAL LEAGUE HURLERS

ELMER WON 19 GAMES LAST SEASON -- 11 IN A ROW

Happenings In The Oak City Schools

On January 5th school reopened with good attendance. There has been a good deal of moving and while we have lost a few students, around 25 new ones have been enrolled.

The new Agriculture-Home Economics building is nearing completion and both departments are looking forward to moving into it. The date set for moving in is February 2nd.

Our English and Literature teacher, Miss Meads, has been ill this week. All her students have missed her and hope that she will soon be able to return.

Although there were a few failures in high school, everyone seems to be taking these failures with the correct attitude. A good resolution for every student is to do better in all school work this term.

The new Literature and Sociology classes have been organized.

The clubs are all doing splendid work in their different fields of activity. The Dramatics Club has presented two one-act plays and the Health Club has presented a first aid kit to the school.

On Tuesday, January 13th, the Oak City basketball team met the Farm Life team at Farm Life. A returned game will be played January 16th in the Oak City gym. While our team has not won very many games they are showing improvement in playing and the whole school is always behind it.

On Monday, Mrs. Jones presented

Limited

Farmers and packers of farm products will find it necessary to change their packing and shipping practices because of limited supplies of container material such as burlap or cotton fabric bags.

A new method of drying sweet potatoes has been developed at the Alabama Experiment Station by using cheap drying surfaces and nature instead of machinery.

a splendid one-act play, "Tom Sawyer Whitewashes the Fence," original adaptation of Mark Twain's story. Various defense programs are still under consideration and students are still buying defense stamps.

R. A. Haislip, Jr., a former graduate of this school, is doing his practice teaching at the Gatesville High School this week.

NOTICE OF SALE

Under and by virtue of the power of sale contained in a certain deed of trust executed to the undersigned Trustee by A. E. Taylor and wife, Maggie Taylor, dated the 1st day of January, 1930, and recorded in Book B-3, at page 349, in the Office of the Register of Deeds of Martin County, North Carolina, default having been made in the payment of the indebtedness thereby secured, and said deed of trust being by the terms thereof subject to foreclosure, and at the request of the holder thereof, the undersigned trustee will offer for sale, at public auction, to the highest bidder, for cash, at the courthouse door of Martin County, Williamston, North Carolina, at twelve (12) o'clock noon, on Tuesday, the 3rd day of February, 1942, the property conveyed in said deed of trust, the same lying and being in Cross Roads Township, Martin County, and bounded and described as

follows, to wit:

A one-half undivided interest in the following tract of land known as the J. Louise Taylor Home Place, deeded to her father, the late Stanley Peel, and contains 77 acres, more or less and described as follows:

Beginning at a gum, a corner in the run of Cow Branch in the late Charlotte Price line; thence with run of Cow Branch down the various course a Southwestern course to Henry D. Peel's line, a corner; thence

an Easterly course along Henry D. Peel's line to a lightwood stub; thence a Northern direction along Henry D. Peel's line to a gum in the run of Cow Branch, the beginning, containing 77 acres, more or less. It being the same land deeded to Maggie Taylor by J. Louise Taylor, and is recorded in the Public Registry of Martin County.

This the 31st day of Dec., 1941. D. C. PEEL, Trustee. Hugh G. Horton, Atty. 12-41

THE TOWN OF WILLIAMSTON

POTASH

... an essential AMERICAN industry

All plant life depends upon potash because it is one of the necessary plant foods. Prior to 1914 scarcely any potash was produced in this country. When European supplies were cut off during the last war, the price of potash increased from \$35 to as high as \$500 per ton, and in most cases no potash at any price was available. Born in that emergency, an American potash industry has been developed, with average prices now much below those of 1914, to a point which will assure supplies of this necessary plant food in the United States, its possessions, Canada, and Cuba. Thus does this relatively new industry take a front-line position in American defense.
